Prominent Women Testify

Hillsdale, Mich.—"I am giving this testimony regarding the merits of Dr. Pierce's medicine from the actual use of them and the good they have done me. I took Dr. Pierce's Favorite Prescription for feminine trouble and it cured me in a very short time. I have also taken Dr. Pierce's Golden Medical Discovery. The doctor once told me that if I would not be cured by this medicine, I would not be cured by any other. I have also used Dr. Pierce's Pleasant Pellets. I cannot say too much in praise of Dr. Pierce's medicines; they are all good."—Mrs. SARAH CULVER, 72 St. Joseph St.

Doctors Advised Operation

Trent Lake, Mich.—"I doctored with several doctors and they all told me I would have to have an operation. Then I heard of Dr. Pierce's Favorite Prescription so I took six bottles of it and I have never been bothered with the same trouble since."
"I shall always recommend Dr. Pierce's Favorite Prescription to every one I can."
"It has been over twenty years since I took a medicine."
"Send 10 cents for trial package of 'Pleasant Prescription Tablets' to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y."

How Superstitions Arise
The Fidelity superstition arose because the superstition is supposed to have taken place on that day. Some persons think it is unlucky to spill salt. John the Baptist seems to be visiting in the Virgin's picture. Others think that it is because salt is a symbol of immortality, and saltiness is therefore a sign of broken friendships and general upsets.

Contrary to Standing.
"Who is the man who was having so much to say to Flung about that girl?"
"Oh, that was his silent partner."

The Local Meteorologist.
The Native Son—How do you like our climate? Of course, this cold, damp weather we're having just now is unusual.
The Newcomer—So I've been told for the last eight months. Do you ever have any "usual" weather?
The Real Thing.
"I am going to give my husband a box of cigars as a surprise. My brother got me some of the most expensive kind."
"Then they'll be a surprise all right!"

Very Particular.
The girl had been sent down to the brook to fetch a pail of water, but stood gazing at the flowing stream, apparently lost in thought.
"What's she waiting for?" said her mistress, who was waiting.
"Hurry," wearily replied the girl. "Praps she hasn't seen a pailful she likes yet."—Houston Post.
How Nice
A new invention is a clock with a photograph attachment which announces the hour "in a pleasant voice."
Might Call It That.
We were driving past the works of a large monument concern, and little Marion, seeing the granite, marble and other stone monuments in the yard, inquired: "Oh, mamma, is this the place where they make the century furniture?"—Exchange.
Pleasure Gone.
"That kid of ours is going to be a mad baby this week."
"Why so?"
"I heard my sister say she was going to give her an unbreakable doll."
