

A VAST SYSTEM created by the Federal Reserve System and the development of the Federal Reserve System

The U. S. Government at Washington created the Federal Reserve System to help money in the country by making it easier to get and carry on business with the banks and the other.

The Federal Reserve System is made up of twelve Federal Reserve Banks in different parts of the country and the Federal Reserve Board in Washington.

Put your money in a bank.

Where Do You Keep Your Telephone Directory?

Is it near your telephone and is it handy enough that you make a call?

Something is wrong with your telephone directory if you have to look for it rather than find it. The directory which may have been in your home for years is now here with the telephone company. It is convenient, handy and the work must be done all over again.

Are you willing to do the work yourself? Why not let the telephone company do it for you?

Michigan State Telephone Co.

THIS IS LEONARD WOOD

The Man Who Won the Unqualified Endorsement of Theodore Roosevelt, Greatest American of His Time.

—and the man who should get your vote in the Primaries, April 5th

A vote for Leonard Wood is a vote for the things that we need for the very same things that Roosevelt wanted for the country today.

A vote for Wood is a vote for the things that we need for the very same things that Roosevelt wanted for the country today.

General Wood is a man who has done more for the country than any other man of his time. He has been a soldier, a statesman, and a man of action. He has been a man who has done more for the country than any other man of his time.
