

ESCAPED AN OPERATION

By Taking Lydia E. Pinkham's Vegetable Compound, Many Such Cases.

Cairo, Ill.—"Sometime ago I got so bad with female trouble that I thought I would have to be operated on. I had a bad displacement. My right side would pain me and I was so nervous I could not hold a glass of water. Many times I would have to stop my work and sit down or lie on the floor in a faint. I consulted several doctors and every one told me the same but I kept fighting to keep from having the operation. I had read so many times of Lydia E. Pinkham's Vegetable Compound and it helped my sister so I bought a bottle. I have never felt better than I have since then and I love house and am able to do my work. The Vegetable Compound is certainly a grand medicine."

—Mrs. J. R. Matthews, 111 Syracuse Street, Cairo, Ill.

Of course there are serious cases that only a surgical operation will relieve. We do not know how to do the above letter, and many others like it, simply prove that many operations are recommended when medicine in many cases is all that is needed.
