

SUFFERED TEN YEARS FROM INDIGESTION

Trouble Gone, Appetite Strong, and Eats Anything Without Distress

"I had a case of stomach and intestinal trouble, ten years standing. I had been treated by the best medical men in Michigan. When I commenced taking Mike's Emulsion, I was in bed. I improved so fast that I kept the sheets underneath me and I was now up and working every day. My cough is gone. My appetite is great, and I can eat anything without hurting me."

—H. D. Lovell, Bookford, Mich.

Indigestion is a condition caused by "sluggishness" of the stomach and bowels. Digestive juices are usually made slaves of the stomach and bowels. Mike's Emulsion is a pleasant, nutritious food and a corrective medicine. It restores healthy, natural bowel action, doing away with all need of pills and purgatives. It promotes appetite and quickly puts the digestive system in shape to assimilate food. As a builder of flesh and strength, Mike's Emulsion is strongly recommended to those whose health has weakened and is a powerful aid in restoring and repairing the effects of wasting diseases. Chronic stomach trouble and constipation are promptly relieved—usually in one day. It produces remarkable results in cough, croup and bronchial asthma.

This is the only solid emulsion made, and so palatable that it is eaten with a spoon like ice cream. Truly wonderful for weak, sickly children. No matter how severe your case, you are bound to try Mike's Emulsion under this guarantee—Take six bottles, none will you, use it according to directions. If not satisfied with the results, your money will be promptly refunded. Price 95c and \$1.50 per bottle. Write for prospectus to: Torre-Harris, Inc., Sold by drug stores everywhere—Adv.

Fate's Irony. "Did you read in the papers about that eccentric man who made the arrangements for his funeral, having every detail just the way he wanted it, and then attended the exercises with evident enjoyment?" "Yes, I read about it the other day. He was smart, I should say, but some of these days he was going to die and his obituary will be printed in the Boston Globe and he will be buried in the graveyard and other business that he will never be able to correct. Birmingham Age-Herald.

DRUGS EXCITE YOUR KIDNEYS, USE SALTS

If Your Back Hurts or Bladder Bothers, Drink Lots of Water.

When your kidneys hurt and your back feels sore, don't get scared and proceed to buy a lot of salts with a lot of drugs that go to the kidneys and irritate the entire urinary tract. Keep your kidneys cool. This will keep your kidneys cool. It is a salt that will remove the acids, uric acid, and other poisons that collect in the kidneys. It is a salt that will filter the blood, and it is a salt that will strain from it the acids of acid and waste, so you can get rid of them and keep your kidneys cool. In the Wrong Row. "The man who turned down the axle and mounted the engine on the back of the car, when he was caught," he said, "I was so that in a laboring under some shop screw, could screw it up again."

BOSCHEE'S SYRUP.

A cold is probably the most common of all disorders and when neglected is apt to lead to other serious conditions. It is a salt that will remove the acids, uric acid, and other poisons that collect in the kidneys. Hard-Boiled Philosopher. "Bire water was the remainder of the red man," remarked the stranger in Crayson's Glee. "So it was," replied Three-Finger Sam. "Maybe it's just as well we waited for prohibition. If there had never been anything but total abstinence the folks might have kept right on bossin' the fire into our coal."—Washington Star.

Cuticura Soap for the Complexion. Nothing better than Cuticura Soap daily and Ointment now and then as needed to make the complexion clear, scalp clean and hands soft and free. Add to this the fascinating, fragrant Cuticura Talcum and you have the Cuticura Toilet Trio.—Adv.

Many Neglect Their Hair. "The school at all various examinations cannot fail to be amazed at the conspicuous fashion in which men trim out the inquiry that has represented the work and savings of their lives. Death, the birth, is an inevitable fact in human experience; yet the average man lives as though he were to be the one exception to the common rule and might confidently expect to live forever. It is not every man of ten he does not care even for the preservation of himself as well as his country's."—Weekly.
