

PEOPLE'S COLUMN

This column will be devoted to the people of Birmingham who wish to advise the name for the discussion of all matters pertaining to the welfare of the community.

FROM KICKERVILLE

To The Editor: The people of Birmingham have been watching the water in the city with some anxiety...

show persistence of well, the well in question therefore must be an integral part of a well defined project for the water supply...

Others have no doubt that the proposed one, not only for the other taxpayers, should also have an opportunity to fully understand the situation.

"WE HAVE WATER" AUTHORITIES SAY

Leverette and Hubbell Talk to Two Hundred Local Residents

Two hundred Birmingham and nearby residents spent an hour listening to the water supply authorities...

It was in answer to this question that Leverette and Hubbell spoke to the two hundred...
