Special Care of Baby.

Special Lare or Dauy.

That Baby should have a bed of its own all are agreed. Yet it is more reasonable for an infant to sleep with grown-ups than to use a man's medicine in an attempt to regulate the delicate organism of that same findant. Either practice is to be shunned. Neither would be tolerated by specialists in children's diseases.

Von. Dawistina will tell you that Baby's medicine must be
