

PAINS NEARLY DOUBLED ME UP

Nothing Helped Me Until I Took Lydia E. Pinkham's Vegetable Compound.

Wrandette, Mich.—"For the last four years I have suffered off and on without help. I have had pains every morning and had to get up nearly every day. Sometimes I could not sweep a room without everything I ate upset my stomach. Three years ago I lost a child and suffered so badly that I was out of my head at times. My bowels did not move for days and I could not rest without suffering. The doctor could not help me and one day I told my husband that I could not stand the pain any longer and sent him to the drug store to get me a bottle of Lydia E. Pinkham's Vegetable Compound. After taking three bottles of the vegetable compound and two bottles of Lydia E. Pinkham's Sanative Wash I could do my own housework. If it had not been for your medicine I don't know where I would be today and I am never without a bottle of it in the house. You may patch this if you like that it may help some other woman."
