The Institute Free Employment Service

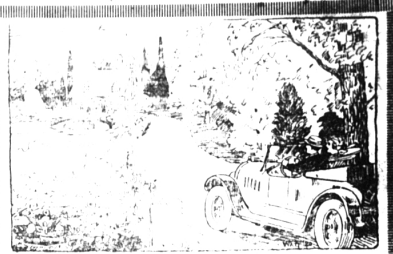

means a good office position for you as soon as you have completed the course of study. There are many opportunities for ambitious young men and women to earn their way through school. Some of our most successful graduates have completed the course of study at a very small cash outlay.

The Business Institute of Detroit is by far the largest business school in Michigan and is one of the leading schools of the kind in America. The same courses of study are offered in the Pontiac school.

Write today for free illustrated booklet which explains how you can qualify in a reasonable length of time for that class office employment.
