**Vote "NO" on the School Amendment Because**

**Governor Sleeper says:**

I am opposed to the proposed constitutional amendment abolishing Parochial Schools.

Our commonwealth is broad enough to accommodate all shades of religious belief. It is big enough to give abundant room for the operations of all the religious denominations we have. The adoption of this amendment would engender bitterness and suspicion and distrust where now, mutual trust and good feeling to a large extent prevail.

I urge all good citizens to oppose this radical change.

**Lieutenant Governor Dickinson says:**

I am impressed that the present proposition is not one that will conduce to better moral, friendly and charitable relations between citizens of the state that is so much to be desired.

As an official in the War, I was proud of the patriotism and efficiency shown by those with whom I associated of both the Lutheran and Catholic faith.

As chairman of the Near East Relief of the State, I have also associated with these people and admire their spirit of loyalty and sympathy.

**Attorney General Groesbeck, Republican Candidate for Governor says:**

The proposed amendment is in conflict with the Federal Constitution and should not be placed upon the ballot. The proposed amendment tends most strongly to foment ill feeling and acrimonious discussion among the people.

I hold that the right of the parent to exercise a reasonable control over the education of his off-spring during the formative period of his character, is one of the most sacred rights preserved for the individual under the Federal Constitution.

**Ex-Governor Ferris, Democratic Candidate for Governor says:**

The amendment should be overwhelmingly defeated. The recent war taught us that Catholics, Lutherans, Methodists, Congregationalists, Presbyterians, Chris-

tian Scientists and other denominations can all work together. Our Democracy should guarantee this privilege.

I feel that this is a cowardly attack upon thousands of our best citizens.

**Regent Frank B. Leland, of the University of Michigan says:**

I do not favor this amendment for many reasons. I think it is an American and in my opinion, its incorporation into the basic law of the commonwealth would be most unwise at any time.

As a lawyer it is my view that the proposed amendment would not be constitutional even if it were passed, therefore it has no place on the ballot.

**Regent James O. Murfin, of the University of Michigan says:**

I am against this proposed amendment for a number of reasons. First and foremost it appears to me it is dishonest; it is contrary to sound principles and sound ideas, and is the most decided step backward. I have yet to learn a good sound argument for it.

**President Frank S. Kedzie, of the Michigan Agricultural College says:**

I am not favorable to the anti-parochial amendment for three main reasons:  
First: Interferes with religious liberty.

Second: Introduces one more element tending to unrest.

Third: Would lessen education facilities for the younger generation.

**President McKenny, of the Michigan State Normal School says:**

This amendment if carried would shut out thousands of children because of no public school buildings to accommodate them. Another reason is that there is no more loyal group of men in America than those who come from parochial or private schools. One fourth of the men in the late world war who fought for America came from parochial and private schools. The amendment is un-American and we cannot afford to have it carried.
