Lay Them Right Over the Old Shingles
 WHEN your shingle roof must be replaced you need no longer suffer the household of dust and dirt, annoyance and expense of ridding of the old shingles. Leave them where they are and lay Johns-Manville Asbestos Shingles right on top of them. Then you'll have a roof that is fireproof and everlasting; you'll get the benefit of the splendid roof insulation afforded by the old shingles and, most important of all, you will have re-roofed for the last time.

RE-ROOF FOR THE LAST TIME WITH JOHNS-MANVILLE ASBESTOS SHINGLES
 Lay Johns-Manville Asbestos Shingles right over the old wooden shingles and you eliminate roofing troubles and expense for all time because Johns-Manville Asbestos Shingles will last as long as your building stands. They're all mineral—nothing in them to rot or burn; they will not warp, curl or split; they never need painting; they're easy to lay and they are most attractive in appearance.

Does your roof need replacement? If so, it will pay you to get full information about this method of re-roofing with Johns-Manville Asbestos Shingles. See us at once. We can do the work for you quickly, easily and economically.

You Can Have A Good Office Position

which pays you well and offers a good chance for advancement, if you will complete The Business Institute training.

"There is always room at the top" and there is always a place for the thoroughly trained young man or woman in business life.

The Business Institute is by far the largest business school in Michigan, and it is one of the leading schools of the kind in America. It has more well-qualified, capable teachers and a much larger equipment than any other business school in Detroit. It is the only business school in Detroit occupying an entire building. These statements can be readily verified.

The remarkable success of The Business Institute is the result of modern courses of study, thorough instruction, and good positions secured for graduates. The success of The Business Institute is the direct result of the success of Institute graduates.
