COUNCIL PROCEEDINGS

The adjourned meeting of the Village Commission was held Monday evening, Aug. 22, 1921, at 8 o'clock.

Present: President Clizbe and Commissioners Brown and Schlaack. Manager W. H. Brown, and Clerk, Hazel Clark.

It was moved by Mr. Clizbe that the note of $500.24 from the General Fund and $1021.66 from the Water Fund in the First State Savings Bank be paid.

Yeas: Clizbe, Brown and Schlaack. Nays: None.

Moved by Mr. Brown that the pay roll be passed, as follows:

J. Berry, 454; W. Hopson, 436; W. Loth, 454; J. Allen, $52; F. Luth, $56; H. Shadbolt, $13.60; H. Thornton, $2.90; G. Gravlin, $61; John Wilson, $60; W. H. Brown (for drawing account), $100.

Yeas: Clizbe, Brown and Schlaack. Nays: None.

It was moved by Commissioner Schlaack that the following resolution be adopted and accepted.

RESOLUTION

Whereas, the Michigan State Telephone Company maintains and operates within the corporate limits of this Village, above the surface of Woodward Avenue, Maple Avenue and Pierce Street, certain telephone lines, including poles, wires, cross-arms and other attachments, with which it furnishes local and long distance toll service, and

Whereas, the said Michigan State Telephone Company contemplates the removal of that part of its said telephone lines which furnishes to the public toll service between Detroit and points North, including certain wires, cross-arms, etc., from above the surface of said Woodward Avenue, Maple Avenue and Pierce Street within the Village of Birmingham, and the installation and maintenance of its long distance toll lines furnishing service between Detroit and points North, in conduits below the surface of the ground.

Now Therefore Be It Resolved, that the said Michigan State Telephone Company is hereby authorized to remove its said long distance toll lines, etc., from above the surface of Woodward, Maple Avenue and Pierce Street, as above described, in the said Village of Birmingham aforesaid, and to install the same in underground conduits which shall be located and maintained beneath the surface of the ground between the sidewalks and the curb on the Southerly side of Maple Avenue from the east property line of the Grand Trunk R. R. and Westerly beneath Maple Avenue and beneath the surface of the ground and between the curb and sidewalk to the west line of Pierce Street, thence southerly on the West side of Pierce Street beneath Pierce Street and beneath the surface of the ground and between the sidewalk and the curb to a point South of Martin Street and midway between Martin Street and Merrill Street, together with the necessary laterals crossing Pierce Street and Maple Avenue as shown upon the blueprint attached hereto and made a part thereof.

The said Michigan State Telephone Company is hereby authorized to make such excavations between the sidewalks and curb of said streets, and including excavations in any streets crossing Maple Avenue and Pierce Street, and the construction and maintenance of the necessary manholes as shall be necessary to make the foregoing changes in the construction of its lines, provided, however, that said conduits shall be installed in such manner as not to injure the shade trees along said streets, and provided further that any portion of said streets including the paving thereon, cut, removed, or disturbed by reason of such construction, shall be replaced at the expense of said Michigan State Telephone Company in a good and workmanlike manner, and left in as good condition as it shall be at the time that it shall be removed, and said paving shall be replaced according to the specifications under which it was originally constructed, and shall, if said Village so elects, be replaced by any Asphalt Company.

Provided, however, that said construction work shall not be begun until a contract embodying the terms of this resolution shall have been executed between the Village of Birmingham and said Michigan State Telephone Company.

This Resolution or Ordinance repeals Resolution dated July 2, 1917, granting the Michigan State Telephone Co. permission to place underground conduit on Woodward Avenue, Birmingham, Michigan.

Yeas: Clizbe, Brown and Schlaack. Nays: None.

It was moved by Mr. Clizbe that we borrow $795.29 and charge to the Pierce Street Sanitary Sewer.

Yeas: Clizbe, Brown and Schlaack. Nays: None.

A communication was received from W. J. Hemeke, secretary of the Executive Committee of the Citizens' Water Commission of Birmingham, and the Clerk was directed to make the following reply:

W. J. Hemeke,
Secretary Citizens' Water Commission,
Birmingham, Mich.

Dear Sir:—Your invitation to be present at a meeting of your Committee on August 30th received.

The Village Commission finds it is not in position to make this official visit, but will be glad to receive useful information or suggestions from you or any other source at any time.

Yours very truly,
VILLAGE COMMISSION.
Per ..... Clerk.

Resolved that the merchants and others on the business streets be requested to take up the street sweepings on their walks and dispose of them privately and that they do not sweep the sidewalks on to the pavement at any time except in case of snow.

It was moved by Mr. Brown that the meeting adjourn until Monday evening, August 29, 1921, at 8 o'clock.

HAZEL E. CLARK, Village Clerk.

PERSONAL

For the pleasure of Mrs. B. Roach, Pierce street, who left Birmingham Tuesday for Louisville, Ky., to make her home, the members of the W. B. A. surprised her at her home Monday evening, with a party. Mrs. Roach has been a member of the association for many years and is sure to be missed by many friends she has made while here. During the program Monday, Mrs. Gladys Ely of Southfield avenue, gave two vocal selections and was accompanied by Mrs. Doris Thompson of Stanley avenue. At the close of the supper hour, which was served about 10 o'clock, Mrs. Roach was presented with a $10 gold piece.

Following an especially pleasant vacation Dr. and Mrs. P. D. Hilty and family have returned to Birmingham. Dr. Hilty has re-opened his offices in the new National Bank building.

Are you blind? The money you are now wasting would come in handy Some day if you had it in Our Bank

Tear off the blindfold of extravagance if you are wearing one. You can never see financial daylight until you do.

Extravagance is ignorance; ignorance is a crime to yourself and to your Family.

If you earn $10,000 a year and spend it all you will never get ahead. If you earn $1,000 and bank a part of it you will prosper.

That's arithmetic.

Try it.

Re-roof for the last time

RE-ROOF for the last time and save money from the very start, because now you don't have to tear off the old shingles. You can lay Johns-Manville Asbestos Shingles right on top of them. You eliminate the chance of damage to plaster or furniture upstairs in case of sudden rain while the work is in progress. No fuss, no muss, no litter, no damage to flower beds near the house, no inconvenience at all. And the double roof will make your upper rooms warmer in winter and cooler in summer.

Johns-Manville Asbestos Shingles

last as long as the building they protect. Because they're made of asbestos fibre and Portland Cement, they simply cannot rot or burn, will not warp, curl or split; never rot or dry out and never need paint.

Re-roof for the last time and increase the value of your building. Johns-Manville Asbestos Shingles transform an old unsightly roof into one that is attractive, fireproof and permanent.

Ask us for the interesting booklet "Re-roofing for the Last Time which tells the whole story. It contains a lot of valuable information for house owners. Write, call or telephone today.

Let the People Know

That—
their utility bill is about the smallest necessary household expense they have.

The following conversation was recently overheard in a grocery store:

Customer: "I don't know whether I've got money enough to pay for this article or not; I've just paid my gas bill and you know what that means."

Merchant: "Yes, indeed, that almost breaks a man."

Those were very unfair statements. As a matter of fact, the average household's gas, or combined utility bill, is the smallest necessary expense it has.

Gas is about the cheapest thing that enters the average household; yet the average household could not do without it.

The president of the Printer's Press and Feeders Union in a certain city, recently made a canvass of printers homes to determine how the average printer spent his wages. The investigator made his analysis on the basis of 400 miscellaneous articles necessary to the average family. He found that the printer's family spent $871.80 a year for food alone. That was the highest bill and the lowest bill was $68.59 for electricity and gas. That was less than 8 per cent of the expense for food and it was less than 6 per cent of all the expenses.

The fact that in the average home the smallest necessary expense is that of the public utilities—gas, electricity, etc. It runs about 6 per cent or 7 per cent of all expenses in the average home.

Is it fair to do 90 per cent or 95 per cent of the complaining about the smallest item of expense?
