The CHENEY

THE MASTER INSTRUMENT

IS HERE

Sheraton Period
 Model No. 2
 Made of no other in price in Biltmore mahogany. Fumed and golden oak. Spring motor, steel and steel wheels. Two reproducers for playing all records. Combination of record. Nickel metal parts. Record \$115

Making its debut at this time of year is doubly interesting, for many homes are going to have music—and as soon as YOU hear a Cheney you'll want one.

KELSEY & GARRETSON

have been appointed exclusive dealers for this well known instrument and Mr. Kelsey invites you to come to his store and learn more about it.

Its wonderful inventions make it welcome wherever good music is known and appreciated. In the detail with which it brings out the beauty of an artist's voice, the delicate touch of an instrumentalist or the overtones of a great orchestra, THE CHENEY richly deserves its reputation as "The Master Phonograph."

You may choose THE CHENEY from a rich and varied selection of period models. There are regular and console art models which will grace any setting. There are

many models in Biltmore mahogany, others in beautifully grained Newby walnut, and yet others in fumed and golden oak.

CHENEY cabinets are famed far and wide. As the product of the finest cabinetmakers in the country, they have established new standards in the phonograph industry. Famed though The CHENEY is for its quality, its price is easily within the reach of all.
