RAIS BREAD

Pies of Quality

WE surely would like to describe the delicious qualities of our pies, but ordinary words and printer's ink won't do it. Think back to the old days—to the pie days—to the days when all the world was young and pies were good. Try 'em.

REGISTRATION, ELECTION OFFICIALS ARE APPOINTED

The members of the Board of Registration for the registering local people for the coming special election were held Tuesday night by the Village Commission. They are George Newman of Harmon street, St. Eugene Griggs of Willett street.

The Registration Board will be at the Village Clerk's office on Saturday, Dec. 23, from 9 a.m. until 2:30 p.m. According to the Village Attorney all people who are not already registered and who have lived in Birmingham for 20 days directly preceding the date of registration and who have also lived in the State for six or more months, are eligible to vote. Any person, properly registered, whether a primary voter or not, is entitled to vote at this special election, it was said.

The Commission has appointed the following persons as officials to hold office in election month of Jan. 11: John Holt and "Billy" Brown, gatekeepers; Mrs. Charles G. Walker, 215, 3rd St., clerk; Harry Lawley, 1009, Newman, as inspector.

\$10,000 ISSUE AT ELECTION MERELY TO TRANSFER FUND

In past issues of the Eccentric it was stated that, at the coming election on January 11, local people would be asked to vote on a \$10,000 bond issue to allow for the purchase of suitable land upon which to erect a new city hall. This statement was due to a misunderstanding of the case. The Village Commission would not be purchased with money issued from new bonds, but that it would be purchased from money already in the hands of the Village Treasurer. All the people who do not wish to signify their approval of the transfer of \$10,000 from the Village Trustee's account to the Village Commission, should vote "no" on the bond issue and "yes" on the deposit in the hands of another fund to be used for the purchase of land. From this latter fund the money can be used to give Birmingham a proper covered municipal hall.

VILLAGE COMMISSION GIVES JOHN HANNA AMAS PRESENT

John Hanna, our past Village Treasurer, received a fine Amas watch from the Village Commission last week when he announced that he would receive a salary of \$1,000 per year. The official statement in which the village committee have been during the past year, and the additional \$1,000, which the Village Treasurer would be responsible for the increase of it, is said.

It is thought that the Commission will be able to do it to increase the salary of the village clerk who, at present, although furnished with a salary of \$1,000, has a highly responsible nature, as the lowest paid of the village employees.

Mr. and Mrs. L. J. Stussar of Pierce street, entertained a number of relatives and friends over the Christmas holidays. Mr. and Mrs. E. Land, and Mr. and Mrs. George Welch, and Mr. and Mrs. George Laune, from Toledo, O., left for their respective homes the early part of the week. Mr. and Mrs. L. J. Stussar of Loma, O., have been spending the week at the Stussar home.

Mrs. J. B. Stussar, having been appointed to the position of judge of probate in the County of St. Louis, Mo., on December 22, 1921, has been sworn in by the State of Missouri. She is the first woman to hold this position in the State of Missouri. She is the daughter of Mr. and Mrs. J. B. Stussar, of St. Louis, Mo.

WE HEARD IT SAID BY—

Howard M. Cox, resident of East Maple Avenue, "I think something should be done to make the postal carriers deliver packages in a more satisfactory manner. Several have been left at my home within the past few weeks that have rolled to the ground and could very easily have been lost. We were asked to place boxes nearer the ground, which would be better and we get our mail right in the door, if they cannot be placed in the boxes."

Mrs. E. C. Huston, chairman of Spoke Five, of the First Presbyterian Church society, "I want to thank the people, the spoke and the church, who willingly helped to make the box and support a success. I want to express the appreciation the Spoke feels for the work done by the outside helpers. The spirit shown by everyone was splendid and made the affair the success that it was."

Mrs. Harry Hooper, a resident of Birmingham, who has but recently come here from another town in which he had never seen before and that his efforts to help everyone along could not be equalled. But his efforts in Birmingham we have found that the village commission and everyone in it to give to the people in every way possible. The village commission leaves nothing undone to the people and the cooperation of everyone is wonderful. It would do the people if they would be good to see it."

Louis Hascall, local reporter, "I am heartily in favor of any Charter revision that will give Birmingham a commission of five or more members. I believe that the rapid growth of Birmingham has given our city a need for a more efficient government that can be comfortably and accurately done by three men. Some work along with the village commission and that we can vote on the question at our next annual spring election in March."

J. H. Shuman, secretary of the real estate department organization, "The people of Birmingham ought to know the correct way to phone for the local fire department to avoid confusion and delay that is so often caused by phoning incorrectly. A call for the department in case of fire should never be for the fire station. The party calling should ring for central and tell her the location of the fire. In this way several unnecessary calls are prevented. Work when the fire department was called out about six o'clock in the evening a great deal of confusion was caused by the department having to phone central again and tell where the fire was and give the orders to call firemen. It happened in Birmingham that central could not be gotten immediately. It is too much time was lost. If parties give the information directly to central, it is the business to let all firemen know the time and the process of reaching the fire station in a systematic manner without confusion. Why and not the loss of property as a result."

Mr. and Mrs. Otto Heier of Pierce street, were host and hostess to six members of the club, including family at a Christmas dinner at their home. The guests were all residents of Detroit.

STATE OF MICHIGAN—In Probate
of the County of Oakland, in the Probate Court of said County, do hereby certify that on the 22nd day of December, 1921, the following was the will of the late John Ross Stockwell, of said County, and the discharge of said will.

In the Matter of the Estate of John Ross Stockwell, Deceased.
J. Bert Potholke, executor of said will, being filed in and Court A. D. 1921, for the examination and allowance of his final account and settlement of his final estate and the discharge of said will.

It is Ordered, that the 23rd day of January, A. D. 1922, at eight o'clock in the forenoon, at said Probate office, be and is hereby set aside for hearing and settling the account of said executor.

It is Further Ordered, that public notice be given by publication of a copy of this order, for three successive weeks prior to the date of hearing, in the Birmingham Eccentric, a newspaper printed and circulated in said County.

JOHN ROSS STOCKWELL, Judge of Probate.
