BASEBALL SEASON ENDS WITH TWO VICTORIES

The Birmingham High School brought to a close a very successful baseball season, when it scored victories over the high school teams from Pontiac and Monroe. On Monday, Pontiac visited our territory on securing revenge for the 5-2 beating we had administered to them earlier in the season. Ansonbie, a left hander, was the pitching selection of the Pontiac coach, and he was warmly greeted by Birmingham's sluggers when they came to bat in the first inning. He failed to finish the first round, after just being milled for two hits, which combined with passes netted Birmingham three runs. These three runs, as subsequent events proved, were enough to cinch the game. However, Dickie, who succeeded Ansonbie on the mound, was found for a run in the fifth and seventh inning. Pontiac's only run was scored by the fish with two down, and was practically a gift. The Pontiac game was finished by our playing the game in three runs. WEDDINGS

Brook-Dickie Miss Alice Brock, one of the extensively feted brides of the season, will be married this afternoon at Detroit at the St. Paul Cathedral, to Ross Dickie, a resident of Walled Lake. Miss Brock has many many friends during the past year while she has been a resident in the village and instructor of music in the Baldwin high school. She has been one of the favorites among the students. The church will be decorated in white and green and the bride is sure to be most charming in her traveling suit of rich blue and corsage of bride's roses with ribbons of bridal knots. Her costume will be set off by a handsome creation of black lace over a prettily arranged coiffure. The young couple will leave, following the ceremony, for an auto trip throughout the state and will make their final stop at Big Rapids, Mich., where they will be the guests of Mr. and Mrs. John Brock, parents of the bride. The groom is the son of Mr. and Mrs. David Dickie of Walled Lake. Sometime in the late summer the couple will be at home to their friends in Big Rapids.

OUR CORRESPONDENT'S LETTER

(Continued from page 1) Masakichi is undoubtedly the greatest work of art of its kind ever done. None but a cunning Japanese could have hoped to ever approach its marvelous excellence. The figure in every particular, even the most minute, is an exact counterpart of the artist who carved it. The size is the same, the skin is the same in color and apparent texture, the hair is the same; the blue veins are the same; the nose, the features, the toes, the knuckles of one's hands, the exact reproduction of the original. When gazing at the image you are strongly moved to converse with it.
