REAL ESTATE BOARD ENLISTS AID AT BANQUET

(Continued from Page 1.)

tically every local business man, to join the Birmingham Real Estate Board as associate members. This brings the total membership of the local board to 60.

During the entire program, between addresses, Harold Jarvis, Detroit singer, held the entire banquet room spellbound as he sang more than a dozen songs. Those who have heard Mr. Jarvis in concert are no doubt familiar with the wonder of his voice—we, who record this, are entirely too unfamiliar with the dictionary to find adequate words to fully express the "thrill of sense and rapture of soul" that was given by Mr. Jarvis' singing.

Altogether, the meeting was one of the best—showing the willingness to help that has been held in Birmingham in a long time. That Birmingham will continue to forge ahead as "The Pride of Oakland" is not a question—but a certainty to those who attended this meeting.

The home of Mr. and Mrs. Earl Smith was unique in decoration last Wednesday evening when they entertained the young people of the Star Avenue Presbyterian church at a "hard times" party. A splendid program was enjoyed followed by games and refreshments. Many of the guests were in very amusing costumes which added much to the general "hard times" atmosphere of the evening. Admission was 25 cents. The returns will be devoted to church work.

It has been reported that the Pythian Sisters cleared \$28 last Thursday evening when they prepared and served dinner to the members of the Real Estate Board and their friends. The older women of the order prepared the meal and the younger girls served it. This is the first dinner that the members of the organization have served to any body of people outside of their own circle, and they have received many compliments on their splendid efforts to make the affair a success.

Mrs. Robert Geddis of Royal Oak, entertained the members of the Third United Presbyterian church, at her home this week when a very interesting meeting was held. Mrs. Raymond Reid was in charge of the program. The hostess served supper to her guests at 6 o'clock. The next meeting of the society will be held at the residence of Mrs. Robert Groves, 1040 Woodward avenue, Birmingham.

Meyritt Schlaack of Bates street, who was injured in an accident three weeks ago last Saturday, is rapidly improving and is able to be outdoors with the aid of a cane. He was up again last Saturday afternoon for the first time.

Mr. and Mrs. Leslie Gray of south Woodward avenue, will leave for Birmingham soon for Yellowstone Park, where they expect to spend several months visiting.

Ford

THE UNIVERSAL CAR

The Ford One Ton Truck is serving business just as faithfully and economically as does the Ford Touring Car—serving all the people faithfully and economically. The Ford Truck is a necessity to the grower both in delivering goods and in bringing goods from the stations, docks and from the country. It is an ideal motor car because there isn't a want of the farmer or business man that it doesn't supply in the way of quick transportation at a minimum expense. Come in, examine the Truck, and let us talk over the subject.
