Run the gamut of types, rising from sordid to unworldly—a blend of human elements.

Relaxation of the mind and a great problem. Shows the cheerful self-sacrifice and heroism of a devoted nature as compared with the weakness of a spoiled, unfortified character.

Runs the gamut of types, rising from sordid to unworldly—a blend of human elements.

Beautiful throughout by the artist's touch; cheerful in the main, thrilling in some spots and tragic in others—a document of romance and of hearts.

The distinguished California authoress has contributed her best and given it a setting amid the beauties of her native state.
