HARD FOUGHT GAME GOES TO MONROE

Playing in a sea of mud the B. H. S. football squad dropped its final game of the season, to Monroe High school, by a score of 20-0. Forward passes proved a great gaining factor for the locals while the Monroe team resorted to the old time style of foot-ball.

Before the Birmingham players could settle down in the initial period of the game and get used to the mud, the Custer City gridder had put over two touchdowns. The first by a fake play in which the Monroe end carried the ball 30 yards for a touchdown and the second by line plunging.

In the second period of play the locals were evidently getting used to the mud by the looks of their suits and faces, and allowed Monroe one one touchdown. After this touchdown the local line tightened up and after a forward pass had been completed, Smith to Campbell, which netted 15 yards, the locals were in line for a touchdown when the half ended.

In the second half the B. H. S. aggregation trotted out onto the field a new team. Receiving "Boots" Smith carried the pigskin 20 yards before being downed. Here "Hinky" Groves was prominent in making good gains through the line. In the third quarter "Corkey" McBride snared a forward pass out of the air and ran 45 yards for a touchdown. Here by a fumble the Monroe outfit came with possession of the ball and soon carried it out of danger.

In the final period we sure did have a hard game. By the completion of a forward pass, Smith to McBride, the oval was carried by "Corkey" to the enemy's 5 yard line before he was downed. Here the Monroe line showed the great advantage of weight and held the locals for down. The ball was then booted out of danger by Monroe. The game ended with the ball on Monroe's 30 yard line. The line-up:

Buck	Left End	M. H. S.
Delong	Left Tackle	Kavaler
Elliott	Right Guard	Shoffit
Bray	Center	McIntire
Bryant	Right Guard	Dewey
Low	Right Tackle	Lowe
Patenaude	Right End	Zierabach
David	Quarterback	Roberts
Smith, L.	Left Half	Marx
Wilcox	Right Half	Bierery
Groves	Fullback	McKenzie
McBride	Quarterback	Nichols
Time of quarters 15 minutes.		
Score by quarters:		
B. H. S.	0	0-0
M. H. S.	13	7 0 0-20
Referee, Dermody; umpire, Gallagher; head linesman, Dawes.		
Touchdowns—Shoffit, McKenize; Woodward; Campbell from touch—Roberts, 2; substitutions—Ed Coryell for Lowe; goal for Patenaude, West-erby for Lowe, Patenaude for Camp-		

BALDWIN BRIEFS

The Senior Class rings have arrived.

One of our teachers (a certain Miss Travis) stole a march on the faculty and students Friday afternoon. Boys' hearts were broken to bits by her absence, for Miss Travis has set sail upon the calm (7) seas of matrimony. Monday morning her arm was nearly wrung off by her congratulating students.

At Camera Club Wednesday, Nov. 16, three topics came under discussion. It was decided that a movie should be given Jan. 2, 1922 and a committee composed of Katherine Trumbull, Jack Moore and Murray Hoos should make all arrangements. Mr. Toothaker suggested that a larger number of trays should be purchased in order that everyone could have a chance to develop and print his own pictures. The suggestion was accepted. Plans were placed on the committee to look over some pins. The president used the enlarging camera to get good results. He also gave a small talk on intensification.

Faces were wee-begone Monday morning, when it was heard that B. H. S. lost in the football game with Monroe last Saturday by a monstrous score of 20-0. Monroe is our opponent in basketball, however, so we expect the game will be a good deal harder than ever in the coming season.

The Literary Society and the Agricultural Society have not been revived this year as yet. We hope the latter will be revived by the end of the year in connection with the English department. A school of our size and kind should not take a back seat in this respect.

It has been suggested by the faculty that spelling and penmanship should not be revived by the end of the year in connection with the English department. A school of our size and kind should not take a back seat in this respect.

The faculty gave the chapel program last Friday. We were delighted because they had to perform. Maybe after this they will realize how we feel as Miss Pearson gave several delightful readings and Miss Hooper sang for us. Mr. Vliet explained the "Why and How" of the dis-annament conference in Washington to us. After a while we will know as much about it as the diplomats there. The final number was a piano solo by Miss Gratton. Let's hope they have to do it again. "The sauce for the goose is sauce for the gander," you know.

ROMANCE FOR TWO

This world is full of surprises, though what else could we have expected? Thursday the late Miss Travis said to us, in her usual manner: "Boys and girls, try to have an especially good lesson for tomorrow because you may have another teacher." Just as calm? No, indeed. You might think she was going to the funeral of a distant relative. Romance right under our noses, and we missed it!

And then she went away and we will never see her again. A new English teacher came to school Monday morning. She is very pretty and everything else that an English teacher should be. Perhaps we will love her as much as we did Miss Travis.

POET COOK HERE

We high school students work so hard that we sometimes forget there is such a thing as entertainment, so weren't we surprised when we were released from toil at 3:30 instead of 4:45 last Friday? Much speculation as to what caused this unexpected kindness was in order while we marched to the auditorium, where we had been told to go. There our animated principal led some animated teachers to the front of the hall and everything else. Then he announced that Mr. Edmund Vance Cook, the famous poet, was going to give us some readings of his own poetry, and when Mr. Cook came we yelled for him, too. We yelled "Fight-em-fight-em-fight-em" but he didn't look as though he would. He was very pretty and looking but he made a hit with his poetry. He is our favorite poet.

XMAS SUGGESTION—A set of Edmund Vance Cook's immitable poems, especially suitable for public readings for young or old. All who heard him talk and read his poems at the Birmingham schools Nov. 16, will "Okey" this suggestion. Write or phone Ellsworth Plumstead, 233 E. Maple avenue, phone 175-W, and he will call and see you.

VOICES

By Emanuel G. Frank

There's a wondrous thrill of pleasure
When you see the form and face,
Of some loved one in whose presence you rejoice;
But the joy there is in seeing
Can't compare with what takes place,
When you hear the magic music of her voice.

Be it mother, wife or sweetheart,
Be it sister, daughter, friend,
As within your waiting vision each appears,
While your heart may leap to see them
What is better in the end,
Than their eager voices sounding in your ears.

But remember as you listen
That these sweet and nameless thrills,
Find an echo and an answer rich and true,
In the hearts of cherished loved ones
Which allow your voice fulfills;
For when all is said, your voice is really you.

So when travel takes you from them
Let them feel how much you care,
Let them know you haven't left them all alone;
Let them feel in fullest measure
You, yourself, are standing there;
Let them hear the voice they cherish through
The phone.
