The Baldwin Beacon A WEEKLY BULLETIN EDITED BY THE STUDENTS OF BALDWIN HIGH SCHOOL

BALDWIN HIGH BOYS WIN FIRST VICTORY OF SEASON
Last week was the first game in three years the local high school football team took into camp the Ypsilanti Central team with a coat of 3-0. The game was featured by clear open field running by both teams.
The field preparation made its first touchdown in the first few minutes of play by a series of end runs which brought the ball to Ypsilanti yard line, the ball was then taken over the opponent's goal by a pass, Smith to Dink which was caught behind Ypsilanti goal line. Smith faced a tough goal.
The only time our goal was threatened was in the second period when the Ypsilanti quarter back made a play down by Smith, local quarter back, recovered on Ypsilanti yard line by Smith and the goal kicked making the score 1-0.
In the last period the Ypsilanti quarterbacks tried to gain a foothold down by the aerial route but was unable to complete one.
Smith and "Crack" McBride starred in the backfield for Birmingham while "Frenchie" Pateman was a tower of strength on the line.
It just seems as though "Boss" required of a good football player. He can punt, line plunger and forward with splendid success and "Boss" will get the line. The spirit and energy he has shown in making himself eligible to play makes him stand both on and off the field. Birmingham was represented by a peppy bunch of routers, who accompanied the team and cheered them to a splendid victory.
BALDWIN STUDENTS HOLD FIRST EVENING MEETING
Last Tuesday evening in the Baldwin Auditorium the students held their first evening mass meeting of the season. It was certainly a decided success and full of pep. J. Taylor and J. H. McBride members of the school board, gave talks on "Pep" and school spirit. Supt. V. L. Lynn, secretary county, M. C. Coach Drake and Miss Travis also gave good encouraging talks to the team.
The crowd was also entertained by Victor Beck, who gave a brief talk on football and school spirit. Each player was also given a cheer and held for school team resounded throughout the halls.
As a final prophesy of a solemn group of Juniors, stilled on the stage with a casket and the student and teacher related the horrible fate to befall Rochester.
JUNIOR MOVIE
The Junior Class will present to the people of Birmingham in the Baldwin Auditorium "Humoresque,"
