Musical Comedy at Garrick "The Wind of New York," thirty-first attraction to be produced by the New York Winter Garden, will be the offering at the Garrick Theatre for one week beginning Saturday night. And of the thirty-two entertainments that have preceded it, this one is the first to depart from the revue and vaudeville tradition which the Winter Garden has become famous for.

Firemen's Benefit Two weeks hence, Friday, Oct. 21, Tom Mix will entertain Birmingham with a five-act comedy "Hands Off," which is a thrillsome western drama. Making Extraordinary Mileage a Certainty - Firestone Cord Tires

It occurs to me that you might be interested in the mileage that I obtained from the Firestone Cord tires on my Dodge coupe. The new tire went over 3000 miles. The old tire rolled up 2000 and was changed at 2000 and ran 2500 and had been cut in two places. The two front tires are still on and have run 35,000 miles and are expected to get at least 50,000 miles more from them. I need scarcely say that the Firestone Cord will be my tire choice for the future. Arthur H. Beard, 422 1/2 La. Bldg., Minneapolis.
