THE UNIVERSAL CAR

ANNOUNCEMENT

Mr. Edsel B. Ford, President of the Ford Motor Company, makes the following statement:

"We are making another reduction in the prices of Ford cars and the Ford Tractor, effective today. The new prices average \$70.00 under former prices, and are the lowest at which Ford cars and trucks have ever been sold. List prices, F. O. B. Detroit, are now as follows:

	New Price	Old Price	Amt. of Reduction
Chassis	\$295	\$345	\$ 50
Runabout	\$325	\$370	\$ 45
Touring Car	\$355	\$415	\$ 60
Truck	\$445	\$495	\$ 50
Coupe	\$595	\$695	\$100
Sedan	\$660	\$760	\$100

"This is the third price cut during the past twelve months, from \$575 to \$445; June 7th to \$415, and now to \$355, making total reductions in this type of \$220, or 38 per cent. The same proportionate reductions have been made in all other types. One year ago the price of the Ford sedan was \$975; today it lists at \$660 with the same equipment.

"We are taking advantage of every known economy in the manufacture of our products in order that we may give them to the public at the lowest possible price, and by doing that, we feel that we are doing the one big thing that will help the country into more prosperous times. People are interested in prices, and are buying when prices are right.

"The production of Ford cars and trucks for August again broke all previous high records with the total reaching 117,496. That is the fourth consecutive month in which our output has gone over the hundred thousand mark, the total for the four months being 463,074, which has gone a long way in making possible the present reductions. June this year, with an output of 117,247, was the previous record month.

"One noteworthy feature of our sales is the increased demand for Ford trucks and cars for salesmen. This class of commercial business has been gradually increasing the past sixty days and we interpret it as a very good sign of improvement in general business.

"No reduction has been made in the price of the Ford tractor, and none is contemplated.

Go over these new prices. See how little it costs to become the owner of a Ford car or a Ford truck. Can you really afford to do without one any longer?

Let us tell you more about it, and advise you regarding the delivery of the particular type of car in which you are interested.
