### EASTERN STARS EXTEND A WELCOME TO ALL SISTERS

The local Eastern Star Order has been making an effort of late to get in touch with all the new Stars in the Village and to keep in touch with visiting Stars who are all cordially invited to attend the social gatherings.

"As Worthy Matron of the Order, I want to personally extend an invitation to all the new Stars in the Village who are Stars, and to say that we will be pleased to call on any new Stars who have recently come to Birmingham and are not members of the local organization," Mrs. Ernest Bailey, of Hampton avenue, stated this week.

The Order has been especially active this year and, as has been announced, is planning an extensive program for the winter months. There have been corn roasts, suppers, socials, dances and other affairs given by the new entertainment committee and each one proves more successful than the previous one. Officers of the organization feel that to have the Stars in the vicinity who have not already become members, to join and take an active part in the coming events, would not only benefit the Order but the individuals as well, and every effort is being made to locate them and extend the welcome of the members and officers.

# Fordson

## Put it to any Power Task

While the Fordson Tractor has power in plenty to drag plows and harrows through the heaviest soil, it is light enough, small enough and so easily controlled that it can hardly be put to many tasks about the farm, that will save you time, money and worry.

In fact the Fordson will do every power job, both draw-bar and belt, more quickly and at less cost than it can be done with any other form of power. So every month the whole year 'round the always dependable Fordson will prove itself a paying investment, because of its capabilities, its economy and efficiency.

We will gladly explain and demonstrate to you the many Fordson money-making, time-saving features. Call, write or phone.
