The home of the happy couple will be in Ovid. Mrs. Leland (nee Warren) is the mother of Mrs. James S. Briggs. The ceremony was performed by Rev. Joseph Dutton of the Methodist church in Birmingham.

NEED FOR LOCAL PICTURE SHOW FELT IN VILLAGE

The need of a local motion picture house is evident in the general interest that has been taken in the pictures to be shown at the high school this evening, Friday. This is the first picture shown this season and attracting a great deal of attention from not only the school to which the admission is free, but also to grown-ups, many of whom find it a task to go to Pontiac and Detroit to see a picture show and make the journey before and after the performance. This is termed a free movie by the local School Board and there are to be a number this winter at the high school as there were last year. "Daddy Long Legs" and the "Tomberville Trolley" are the pictures selected for this evening.

Ford

THE UNIVERSAL CAR

During all the years the Ford Model T One Ton Truck has been on the market, we have never had one complaint of rear axle trouble. We have had no complaints of motor trouble. As the motor and the rear axle are the vital fundamentals in a motor truck, we have the right to conclude that the Ford One Ton Truck has not only met the demands of business, but has done so in a satisfactory and economical way. There is no other evidence so convincing as that which comes from long practical experience. Ford One Ton Trucks are serving along all industrial and commercial lines. You will find them everywhere. If these statements were not facts, the demand for the Ford One Ton Truck would not be as large as it is, because people are not buying trucks which do not give service. Coupled with the dependability of the Ford One Ton Truck in all classes of usage, comes the economy in operation and maintenance. On the farm, in factory delivery, for the merchant, manufacturer, and contractor, in these days of modern business methods, this worm-driven One Ton Ford Truck has become an actual necessity. Come in and talk it over.
