Why Our Cars are Good

If we were indifferent about public opinion we might spend less time and money putting Used Cars in shape before offering them for sale. But we find that it helps our business as well as our conscience to be particular.

GIRLS AWARDED SWEATERS

The girls basketball team met last Tuesday to decide on who should receive sweaters. Thelma McQuarrie, Margaret Bezz, Helen Rosso, Norma Clarke, Florence McKinney, Norma Reynolds, Orlean Schiass, Edith Loach, Helen Dutton and Maxine Taylor were the lucky ones.

The girls journeyed down to the Detroit Free Press building Thursday afternoon to have their pictures taken for the sweater. The photographer was unable to find a room which was big enough to accommodate the team, so they went up to the roof. The wind was blowing terrifically and several such as, "Oh, how do you get your curls?" "How does my hair look?" "But, really, taking your picture into account, the pictures did not turn out quite well.

In regard to a discussion about the team changing state title, they feel that they certainly have a right, having won 11 consecutive games. If any team in the state challenges them, they will defend the name they have made for themselves.

BALDWIN BRIEFS

10 week exams. Now on. Who will make the honor roll this time? We hope the senior class will have more than three.

Baseball will be the rage from now on. Like the girls, the boys are forming a nine. Florence Wendorph or Florence Reynolds will probably be the back stop. Who would care for the job of umpiring. Please don't all speak at once.

The Annual goes to print in a couple of weeks. It bids fair to be one of the previous local yearbooks. The set has been the "power behind the throne". The Senior class will forever be indebted to the set. That class campaign set a mark for future classes to strive for. It will total around 600.

THE ORATORY CONTEST

Friday, April 7, Winifred Hutton and Herma Reynolds went to Flint to represent Birmingham in the annual district contest in declamation and oratory. Twelve schools competed and both contests were especially good. When the judges' verdicts were turned in it was found that Winifred and Herma each ranked fourth in their respective contests. Both girls were given vote for second place by at least one judge, so their showing was most creditable.

There was considerable dissatisfaction expressed by the various coaches from the fact that so many schools failed to be shown in the contest. The fact that it lasted for three and one half hours accounts probably for the wide participation in the contest. The judges' every eye was worn out near the close.

We feel sure that with this year's experience, Birmingham will make an even better showing another year. The girls should receive only the highest praise for their hard earnest effort and their creditable representation of the Baldwin High school.
