WOMAN'S LITERARY SOCIETY

Mrs. Allen Bieglow of West Maple Avenue, was hostess Tuesday afternoon to members of the Woman's Literary Society. A large number of members was present and enjoyed an unusual and interesting program by the Historical Department.

Living pictures representing historical personages were a feature of the afternoon and were given in costume. Members of the Art Department represented one of Ferris' pictures in elaborate costume and received many desirable compliments on their efforts to reproduce it in exact detail. Members of the Literary Department entertained with a historical pageant in costume, which included a mime by members of the kindergarten department of the local schools. Miss Curry, the kindergarten instructor, directed the feature and was responsible for the completeness of presentation.

Following the program Mrs. Peter Mackay, wife of the former pastor of the First Baptist church, was presented with a large basket of flowers as a token of appreciation of the club for the work which Mrs. Mackay has accomplished while a member. Mrs. P. D. Hilly acted as hostess of the Literary Club in presenting the flowers.

Accompanists for the afternoon were Mrs. Harriet Singers and her daughter, Miss Winona. Mrs. Singers has acted as accompanist for practically every literary gathering this past season and has spent a great deal of time and effort on her work for these affairs. During the selections which choiced unusual talent and were much appreciated.

It has also given individual selections which choiced unusual talent and were much appreciated.

The next meeting of the society will take place at the home of Mrs. W. C. McKnight and has been called for 7:30 o'clock sharp. Members will be dismissed earlier than usual to enable all to attend the lecture at which time Mrs. Harriet Johnson will talk.

NEW SHOP OPENS THURSDAY

Thursday, April 13, marked the formal opening of the novelty and gift shop on West Maple Avenue, to be conducted under the new management of Mrs. Josephine Stierdal and her sister, Miss Lucille Poterack, of Detroit.

For the past few months this shop known as the Maple Shop, has been serving the public under the management of Mrs. C. C. Brown. Owing to her departure to the south in a short time, she has sold her business to the new proprietors.

Both of the future proprietors are ably fitted to give excellent service to the women of Birmingham. They have been in business handling art goods for some years and their experience was gained with some of the most exclusive shops in Detroit and other metropolitan cities.

It is expected that within the near future they will introduce a woman's exchange in Birmingham for the convenience of local needle craft workers.
