Final Cost and Clincher Tires There are two ideas of economy - which do you want? Low First Price OR Low Final Cost With its immense organization Goodyear could build tires to sell at as low a price as any one. But Goodyear believes that tire buyers want the lowest final cost and the greatest possible freedom from tire trouble. So instead of building tires as cheaply as possible, Goodyear builds them as good as possible. That is one reason why we sell Goodyears. At prices as low as those asked for unknown brands - the Goodyear Clincher gives you an opportunity to get the greatest tire value ever offered. And our service helps you to get out of your tires all the value built into them. Why gamble with cheap tires? Buy Goodyears - plus service. F. E. STERNAL, Birmingham By 119 S. WOODWARD AVE.
