To Telephone Users---
A Giant Cut The Wires

Our entire long distance wire system in southern Michigan and many of our smaller exchanges was crushed and wrecked in the sleet storm a week ago. Every city suffered, even those not touched by the storm, because of severed lines to other points. The material loss is very great. The cost to business cannot be estimated. But our men, augmented by hundreds, pushed out into the storm zone by train, by truck and on foot, working night and day to restore service. We realize the importance of the wires to the conduct of business and to the people of our cities and out country districts. Therefore we are doing our utmost to re-establish the lines of business and social communication. But, the wire system that took years to build and perfect and that was destroyed in a night, cannot be rebuilt in a day. We, therefore, appeal to all users of the telephone to be patient in this emergency. Our promise is, that the emergency service already established will be strengthened rapidly and that permanent reconstruction will be pushed with all speed.

Pure yeast now concentrated in small dose

With the introduction of Yeast Foam Tablets you don't need to eat large quantities of baking yeast to secure its great health-corrective properties

If you are one of those who have been eating large quantities of baking yeast—and perhaps finding it troublesome to get and unpleasant to take—you will be happy to know that in this new, yeast, dried and highly concentrated, you can get the same tonic effects, without any inconveniences and with several extraordinary advantages.

This yeast corrects a wide-spread disease
Vitamin deficiency, that the leading medical men are all discussing, is a disease that thousands of people nowadays suffer from, but which has only recently been recognized.
Unlike other diseases, which come from germs or infections, vitamin deficiency comes from a lack in modern foods of the recently discovered element, vitamin. Its symptoms are failing appetite; indigestion; loss of weight, strength and vigor; unhealthy skin; nervous troubles and other signs of a "run down" condition.
If you are suffering from any of these disorders, your trouble may simply be vitamin deficiency, and in all such cases Yeast Foam Tablets are recommended because they are made entirely from pure, whole yeast—the richest source of the essential vitamin.

Yeast Foam Tablets rebuild tissues
By supplying this vitamin, which many foods wholly lack, Yeast Foam Tablets stimulate the appetite, aid digestion, enable you to get strength and energy from the food you eat and thus rebuild the sick tissues and tone up the whole body.
The purity and vitamin potency of Yeast Foam Tablets is guaranteed by the world's largest manufacturer of dry yeast—the makers for 45 years of the famous baking yeasts, Yeast Foam and Magic Yeast.
This guarantee is your protection, so be sure you ask for and get Yeast Foam Tablets. They are sold by all druggists.
