Where Embattled Farmers Stood

On April 18, 1775, the farmers of Massachusetts summoned by Paul Revere in his famous Midnight Ride, fought the Battle of Lexington and "fired the shot heard 'round the world."

In 1922, 147 years later, the farmers of America are fighting the economic battles that follow a great World War. And they are and have been as staunch, as true and as courageous as those farmers who fought the opening battle for American independence.

This bank feels honored to have been of assistance to its farmer patrons.

"BALDWIN BEACON"

A Weekly Bulletin Edited By the Students of Baldwin High School

This afternoon, Winifred Huntoon and Herma Reynolds go to Flint to represent Birmingham in the sub-district declamatory and oratorical contest. Winifred will give the declamation "A Vision of War" and Herma will give her oration "Making History." The girls have been working hard and are sure to make a good showing. They have the best wishes of the student body on this trip.

Mr. Vliet was present at Ann Arbor, March 31, appearing on the program at the Michigan Schoolmasters' Club. His subject was "Public Speaking as a Motivating and Socializing Factor in the School and Community." It was in connection with the public speaking conference held in the auditorium of the high school. He dealt with public speaking from the standpoints of improved speech, declamation, oration, debating and dramatics.

ANNUAL STAFF PRESENT SECOND MOVIE

Tonight in the auditorium the Annual Staff will present their second movie to aid in paying for the 1922 edition of the Baldwinian.

They have been very fortunate in securing one of the latest films, "The Little Minister." Dainty Betty Compson is the star. The picture comes to us well recommended and is a faithful reproduction of the book of the same name. In addition a Paramount Magazine will be shown and good music rendered throughout the entire program. Come and see "The Little Minister!"

BIRMINGHAM LOSES TO ROMEO

The negative team journeyed to Romeo the 23rd of March to debate their affirmative team in a struggle to remain in the State contest. This was the first elimination contest and the B. H. S. lost with a score of 2-1. We were disappointed in losing this debate although we have done exceptionally well. Perhaps next year Old Baldwin will carry her colors to the final elimination contest.

SENIOR MOVIE SUCCESSFUL

Monday, April 3, the Senior Class presented a movie at the auditorium. The feature, a Paramount picture, "Rent Free," being a recently released film and starring Wallace Reid, supported by Lila Lee, drew a large crowd.

Accompanying the feature was an educational film showing the stages of life through which a toad passes. It was amusing as well as interesting. One half of the reel was devoted to the explorations of the French in the United States. In addition, a Mack Sennet comedy was shown. Music was furnished by the high school orchestra with piano solos by Miss Grattan and Edith Roach.

ANNUAL CONTEST CLOSES

March 24, marked the conclusion of the Annual contest, which has been in progress for several weeks, and decided the winning class. The Junior class ranked highest with 136 Annuals sold. The seventh grade ranked second with a total of 110. The Sophomores were not far behind with a score of 101. The total number sold amounted to 550, 150 more than we expected to sell. The secret of selling such a number was—competition!

When the contest began the Senior class agreed to give a party to the class selling the greatest number of Annuals and a free Annual to the student selling the greatest number. Francis Pullin having sold 60, will be presented with a copy of the 1922 Baldwinian as soon as it is issued. Although the Juniors carried off the honors in the campaign, great credit is given the Seventh Grade for "starting things." They worked very hard to keep the other classes busy competing. Because of their excellent work, the Seniors are rewarding them with a party in the near future.

BALDWIN BRIEFS

Back again! Spring vacation over, we can now settle down to work hard before the final exams.

The Annual staff meeting to gather in all outstanding material was held Monday noon instead of Tuesday.

The Girls and Boys' Glee Clubs will give a concert under the direction of Miss Myra Grattan the 20th of April. Both organizations have been working on some special musical numbers in the last few weeks.

The Senior Girls Quartette sang two numbers at the Child Conservation League meeting on Saturday, March 25. They have begun work on two new songs, "Those Songs My Mother Used to Sing" and "Greetings to Spring."

HERE COME THE CHAMPS!

The girls' basketball team completed their schedule last Saturday, when they defeated East Lansing on the M. A. C. gym floor by a score of 23-12.

At no time during the game did East Lansing have the lead. The girls played good, hard basketball from start to finish, having the fewest number of fouls called on them than in any other game this year.

The record our girls have made this year, is a decidedly envious one. They have played 12 games and have been victorious in every one. Birmingham has scored 635 on its opponents while the opposing teams were lucky enough to get 149 points.

SENIORS VICTORS AGAIN

The Seniors were again victorians, when they met in the high school gym last week and vanquished the lower classmen, this time in a track meet. The meet was unusually exciting the Seniors having to work hard in each event to get a place. The Senior's most feated opponent was the Juniors who were runners up with a total of 34 points. The final score was: Seniors, 39; Juniors, 34; Sophomores, 10; Freshmen, 1.

Scores by events:

20 yd. dash—Haven (Senior) 1st; Berger (Senior), 2nd; Symons (Sophomore), 3rd.

30 yd. low hurdles—Berger (Senior), 1st; DeLong (Junior), 2nd; McKinney (Sophomore), 3rd.
