CROPS ALL GOOD

Western Canada Farmers Jubilant Over Prospects.

Harvest in Southwestern Manitoba Expected to Open Close to Bumper Yield of 1915.

Those who have friends in Western Canada will be glad to know that the conditions there, and will be interested in knowing that generally the crop prospects are very favorable.

With the widely varying weather conditions that have prevailed in the different sections of the prairie provinces it would be impossible to forecast with any degree of accuracy as to how the crop is made.

Southwestern Manitoba will reap a harvest which will nearly equal the bumper harvest of 1915.
