These experts are here to personally demonstrate to all ruptured people what the Rice Rupture Method can accomplish. You have, no doubt, heard and read much about this famous Method and the cures which thousands have reported from it. Just call at the hotel and these experts will give you their personal attention, best advice and complete demonstration absolutely without charge.

Are you tired of that binding, hampering, uncomfortable truss? Would you like to be free of it forever? Then investigate this Rice Method and find out the possibilities it holds out. Surely a Method that could cause so many thousands of former rupture sufferers to report cures must be worthy of your full and complete investigation.

The Rice Method is different from anything else. It is modern, up-to-the-minute, abreast of the latest scientific developments. It is the one Method that you are not asked to take on faith alone—the one Method that is positively demonstrated to you, right on your own person, without a penny charge whatever.
