—1923—

Once more we stand on the threshold of a new year. Our hearts beat with a renewed energy as our minds turn to thoughts of the future. What will it bring?

We think. We reason. We weigh well the facts that surround us. And, we come to one conclusion. That is, that the New Year spells naught but an unprecedented era of Prosperity for our community and its citizens. And we hope that fate will wave its magic wand of health, happiness and peace over each individual personally.

As for our business relations with you, we know that they will be as cordial in the future as they have been in the past. We thank you for your patronage of the past year and we promise you that nothing will be left undone in 1923 that will in any way increase the esteem in which our patrons now hold us.

WITH EVERY BEST WISH TO OUR MANY PATRONS, FOR A HAPPY PROSPEROUS NEW YEAR.
