PEOPLES' COLUMN

This column will be devoted to the publishing of letters of general interest to the residents of Birmingham...

Why? Why because when all is said and done it isn't the pitiful number of votes...

Well, let all of us see that the "tricks" from the political map are not to be taken out and count out these "factions" for good and all...

Now that the Village Commission is submitted to the voters at the regular election...

According to the village report, Birmingham has decreased the amount of short term bonds against itself during the year...
