This Town Needs a Hupmobile Dealer

This is a "Hupmobile town," and it needs and will soon have, a Hupmobile dealer.

It is the kind of community that most appreciates this fine car.

The Hupmobile, while ranking with cars that cost much more, sells at the remarkably low price of \$1,250 f. o. b. factory.

This brings it within the reach of persons of ordinary means, and makes it a wonderful proposition for the dealer.

The man we are looking for to represent the Hupmobile here, is a hustler and a good business man.

To such a man, we can practically assure many prospects, sales and exceptional profits.

This is the first year we have been able to supply the great potential demand for Hupmobiles outside of the metropolitan centers.

Now the Hupmobile factory has greatly increased its production to supply this demand.

This creates a money-making opportunity. You may be the man we want.

Remember that we have no back-breaking requirements—nothing but what will enhance your bank standing. And our discount rate is much more liberal than is ordinarily offered.

It is unmistakably to your advantage to talk this over, absolutely without obligation. Let us hear from you. Write at once to
