CRAG'S BREAD

It goes a long way

THERE is food comfort and enjoyment in every slice of our bread and a lot of slices to each loaf. There's a lot of appetite-prooking goodness baked in 'em that doesn't get into the ordinary loaf of bread.

A BRIGHT OUTLOOK

John McCarroll, a resident of Park street, has been interested in the following subject for some time and brought the article printed below to the office, feeling that its publication would be of interest to many local persons:

"A survey of the condition in the United States, brings assurance that prohibition is working and that the dry movement has already succeeded in reducing liquor drinking in the United States by over 90 per cent on a conservative estimate. Yet we must not allow ourselves to grow blind to increasing lawlessness of the

old saloon element which dies hard under the new regime. The efforts of the prohibition agents to apprehend criminals are beset with obstacles, and every source is used to discredit these officers.

"Protection apparently, is afforded smugglers and other violators of the prohibition legislation by men of high standards in the business and social world. These facts should stir the better class of citizens in their country to demand stricter law enforcement against the little group who, contrary to the principles of democracy, demand not majority, but minority rule. There is a very serious call for greater interest and watchfulness in connection with the temperance movement."—Zion Herald, copied from the National Engineer.

Mrs. Joe Edgar, a resident of Forest avenue, who has been ill for two weeks, is rapidly recovering.

The Queen Esther Society of the M. E. church will meet January 9, at the church for a regular meeting. Every member is requested to be in attendance.

CHARITY MOVIE COMMITTEE URGES RECORD ATTENDANCE

Program To Be One Of The Best This Winter; Chairman of Committee Work Is By No Means Completed in Birmingham

It is the duty of every man, woman and child of Birmingham and vicinity to attend the motion picture show to be given at the Baldwin High School Monday evening, Jan. 9, under the auspices of the Birmingham Relief Committee to raise funds to help large. Fred Quarton is chairman of the Village Commission over a month ago to organize a committee to look after the needs of unfortunate families and individuals.

The entertainment will be an unusually good one. Mary Pickford in "Husk & the Hills" will be shown following a comedy featuring Emory Keaton. The musical numbers will no doubt be a drawing card as some splendid entertainers have been secured for the occasion and everything is being done to make the program one of real interest and enjoyment to everyone.

The Birmingham Relief Committee is doing some extensive work in Birmingham and, with the completion of Christmas charity work, is by no means ready to disband, as the work to be done in the Village the remainder of the winter is more than ever before. The number of needy families in the vicinity is increased this winter owing to the unemployment of men and women.

Tuesday evening a group of young women in Birmingham who have been enjoying feature parties this winter at the respective homes of the members were entertained by Miss Ruth Maynard at her home on Pierce street. The guests included: Miss Florence Staley, Miss Margaret Green, Miss Lucille Campbell, Miss Phyllis Myers, Miss Elsie Dyer, Miss Mildred Toothacker and Miss Maxquette Dutton.

Mrs. Eugene Staebler of Lincoln avenue, was hostess to a number of young women of Birmingham last Saturday at a "watch party," following a slushy party the earlier part of the evening. About nine o'clock the guests left the Mill pond and at the Staebler home enjoyed games, music and a number of "stunts" until 12 o'clock, when lunch was served.

TO OPEN OIL STATION

The Oakland Oil and Gas Company, an Oakland county organization distributing Sinclair oil, gasoline and kerosene, will open a public station soon on East Maple avenue between the Schlarck Meat Market and the blacksmith shop of J. M. Clement. Work was started on the building several weeks ago and is being rushed to completion. It will be decorated in Sinclair colors, which are green and white.

Mr. and Mrs. Ed Heacock, Bloomfield Hills, entertained at a New Year's dinner at their home. Besides the out-of-town guests, including relatives, was a D. A. Davis of Birmingham.

Leigh Smith, a student at the Michigan Agricultural College, has been spending the week with his mother, Mrs. Mable Smith, of Brown street.

BASKETBALL SCHEDULE

A great deal of interest, more than has been shown in several years, is being taken in the present basketball season. The auditorium Friday evening when the local team played Eastern High school of Detroit, was filled and the rosters cheered all evening. The schedule for this winter will also be an incentive to the players to do their best and for the townspeople to attend the games. The next game is January 7, (Saturday evening), when Birmingham and Northern High of Detroit will play there.

The game last Friday evening, although a defeat for the local team, was of value to them and they feel the game was a very good start for the present season. Up to the last half of the last quarter the score stood 14-11. At that time two of the local stars went out of the game, owing to personal fouls, and the visiting team played hard and won. The score at the close was 18 to 15.

The second team was defeated the same evening by the Detroit Eastern High school team, the score being 20-9. Following is the schedule for the winter for the boys' games:

- Jan. 7—B. H. S. vs. Northern H. S., at Detroit.
- Jan. 13—B. H. S. vs. Rochester H. S., at Detroit.
- Jan. 20—B. H. S. vs. Holly H. S., here.
- Jan. 27—B. H. S. vs. Windsor H. S., here.
- Feb. 3—B. H. S. vs. Monroe H. S., at Pontiac.
- Feb. 8—B. H. S. vs. Pontiac H. S., here.
- Feb. 14—B. H. S. vs. Royal Oak Park, at Highland Park.
- Feb. 14—B. H. S. vs. Windsor H. S., at Windsor.
- Feb. 17—B. H. S. vs. Windsor H. S., at Windsor.
- Feb. 24—B. H. S. vs. Rochester H. S., at Rochester.
- March 3—B. H. S. vs. Ypsilanti H. S., here.
- March 10—B. H. S. vs. Farmington H. S., here.
- March 14—B. H. S. vs. Northampton, at Northampton.
- March 17—B. H. S. vs. Hamtramck H. S., here.
- March 24—B. H. S. vs. Alhambra, here.

The dancing classes of Miss Georgia Hoyt of Pontiac, who has been conducting classes here for over a month, have received a great deal of attention and favorable comment. The number of pupils increase with each class.

The "Crusaders" banquet at St. Mark's church of Detroit, held Friday evening, was attended by the following members of the Epworth League, of the M. E. church of Birmingham: Rev. Joseph Dutton, Eugene Staebler, Miss Marguerite Dutton, Miss Margaret Green, Miss Ruth Maynard, Miss Lucille Campbell and Eloise Carahan.

Mrs. H. K. Smith and small son, Junior, of Stratmore, spent Saturday and Sunday as the guests of Mr. and Mrs. J. C. Huston of Pierce street.
