The Business and Professional Women had a meeting at Belle Isle and Riverview Park Tuesday evening. After a delightful supper on Belle Isle the party crossed over to Riverview, where the evening was merrily spent among the various amusements. Several guests were present, including Mrs. O'Hara of Pittsburgh, Pa., who was the guest of her sister, Miss Ruth Wall, and the Misses Mildred Graver and Margaret Rogers of Grand Rapids, who are spending the week with Miss Dorothy Cornell of Pierce street.

An unusual attendance was noted Wednesday evening when Mr. and Mrs. Melvin Deer entertained Mrs. Louis Haswell and Mr. Fred Malender's Sunday school classes of the Methodist church, at their cottage at Woodhill Lake. The ladies and children went out in the morning and spent the day. Mrs. Deer furnished a delicious dinner for them at noon. Fordson TRACTOR

\$625.00
F. O. B. Detroit

"Henry Ford Was Right When He Said:

'The Tractor will enable the farmer to work fewer hours in the day, giving him more time to enjoy life. I believe the tractor will make farming what it ought to be—the most pleasant, the most healthful, the most profitable business on earth.'

This tractor has done much—very much—in bringing true Mr. Ford's prophecy; for in it is a machine which has harnessed one of the most dependable, efficient, adaptable, economical sources of power in the world—a machine that saves from thirty to fifty per cent of the farmer's time—a machine which many farmers claim plows, harrows or drills as much ground in the same time as four, six or even eight horses. And more—a machine that takes care of every power job on the farm.

Call and let's talk it over, or telephone or drop us a card and we will bring the facts to you.

A BUSINESS COUPE OF STEEL

Dodge Brothers offer to the business public of America an entirely new principle in Coupe body construction.

From framework to window moldings the body is built of steel. It is the first all-steel closed car ever marketed. This design anticipates every possible requirement of commercial travel. It insures unusual quietness—unusual grace—unusual stamina. It has made it possible to give the Coupe that same lustrous baked-on enamel finish for which Dodge Brothers open cars have long been famous.

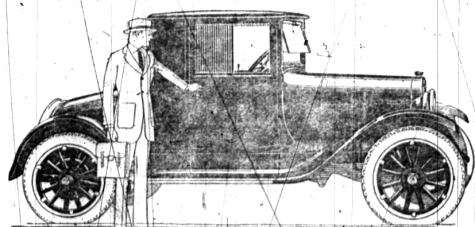

The upholstery is of genuine leather—leather that will wash and wear. The seat is wide and comfortable. Carrying compartments are accessible and spacious. The car is equipped with a heater, dome light, window levers, windshield cleaner, cord tires, Yale door locks, and every other appointment necessary to the owner's comfort and protection.

Built inside and out to withstand the wear and tear of everyday use, it retains the same lightness and beauty of line which you are accustomed to look for in Dodge Brothers cars.

It is the Business Coupe which business people the world over have been expecting—from Dodge Brothers.

The price is \$380 f. o. b. Detroit
