MEMORIAL DAY

The respect and homage that the world pays its dead is one of the evidences of the unfailering faith that mankind acknowledges in its Creator. The fond memory that an individual may have for one who has departed in many, have for one who has departed in most cherished things in this individual alife. When a number of people together and commemorate systems on the fort at Mackinac Island. The money will be used to employ making the most cherished things in this individual alife. When a number of people together and commemorate systems on the fort at Mackinac Island. The most cherished things in this individual alife. When a number of people together and commemorate systems of which every citizen may be justly may be justl

"It Looks Easy"-

A good short stop like a good tire makes the hardest work look easy. You want that kind of tires. You want---

odell cords

"Built First to Last"

Odell Cords perform hard tasks, dry after day, month after month, with such perfect ease and regularity, that their wonderful performance is taken for granted.

It is the usual thing for Odell Cords to do the unusual. To give unusual mileage. To be better than you thought a tire could be.

You are entitled to those kind of tires. You are not getting your money's worth if you don't get them. Demand Odell Cords. Remember they're priced vory low.

should bring into all markets in-creasingly confident buying and en-courage tonsiderable 'ordering for future requirements. A remarkable period of growth is in sight, growth not by expansion but through con-solidations in industry transporta-tion, mining and banking. The re-sulting economies are expected to in-crease America's ability to compete in world markets.

Mrs. Edward Dawson and Mrs Scott Wengert and children of Mar lette, Mich., are spending a few day at the home of Mrs. Sarah Campbel of Lincoln avenue.

Electric Service

IS A GREAT CONVENIENCE

This you well know. But to enjoy the maximum benefits from the service your home must be properly equipped.

If You Install Convenient Outlets

on the porch and in each of the rooms you'll be in a position to reap 100 per cent of the advantages which Electric Service stands ready to instantly pro-

The use of Electric Lamps, Washers, Cleaners, Fans, Table Appliances, etc., is greatly facilitated by the installation of convenient receptacles for Electric Plugs. The cost is small.
