WE HEARD IT SAID BY...

W. D. Clize, former Village President: "It is, indeed, too true that Birmingham cannot successfully solve its water problem. I am in favor of calling together the people of the town in an endeavor to explain to some means of getting more water. For I know that we need more water—as everybody will before the summer is past."
Charles E. Jones, local builder: "I think that the defeat of the water extension bond issue Monday was a grave mistake on the part of local residents. The lamentable situation lies in the fact that so few people voted to the polls. It is my hope that a few more 'Yes' votes-to-sell victory for the issue—yet, apparently, the majority of our taxpayers were too busy to attend their civic duties. If any individual, who was a director in a corporation, failed to attend a directors' meeting, could he justifiably kick if he wanted something done, yet failed to attend the meeting himself? Every voter in Birmingham is a director in his municipal corporation, and the directors' meeting in this case is at the polls when election is called. If Birmingham, or any other community wants to force ahead, more attention must be paid to elections held within its midst."

R. J. Coryell, member of School Board: "Despite the fact that the people of Birmingham voted down the water works extension bond issue last week, I think that the Village Commission, if they still think their plan is right, should call another special election in the near future. As the active representatives of the people of Birmingham, they should never cease, while they are in office, to aid in any way the comfort and well being of local residents."

Charles Peck, local merchant: "There is always a chance for a live wire boy to make a dollar. I have lived in Birmingham 17 years and there has never been a time when if a boy really wanted to, he could not make his spending money. 'Buy your own bread' is too good a motto for dad and forget the source. I believe in encouraging boys to make their own way. They will be the better men of tomorrow."

James W. Cobb, Township Clerk: "The entire populace of Birmingham knows that we need more water. Monday's special election was attended by a very few people, compared with the registration list. Will the individual voter ever learn that it is his or her God-given right in America to settle any dispute at the polls? Will Birmingham ever get anywhere if local people are too quick to take an election time? Regardless of anyone's decision relative to anything on the ballot, he or she should at least take enough interest in the welfare of the community to go to the polls."

PEOPLE'S COLUMN

This column will be devoted to the publishing of letters of general interest to the residents of Birmingham and nearby. All communications must be signed in full by the writer. Letters should preferably be written with typewriter and on one side of paper only.

The members of the American Legion desire to thank all those who joined with them in making our Memorial Day ceremonies success. Perhaps the very "littleness" of all made it all the more impressive—which also makes it all the more enjoyable. Those who did take part. May we especially, extend our appreciation to Rev. Father Ryan, the ladies of the Red Cross, and the children, on ponies or foot, who forced their way out of the Fire Department, who never fail us.
