BUILDING BOOM SEEN

Angiancement was made this week,

A Whitchead, president of the
strict National Bank of Birmingham,
the effect that his bank was now
ady to make unlimited; mortgage
ans on both residence affil business
as made possible through the appointment of the local First National
ank as agents under the Thomachial Insurance Company of Amica, one of the largest insurance
mpanies in the world.

Insurance Company of Amone of the largest insurance nies in the world, and the largest insurance resolves itself into a stay size of the largest loan, interest payable semi-annually, same time paying five per cent balance of the principal, if ought down to date, the

sidence or business property may own. The period of age runs from five to sever the possible extensions. Mr. d stated this week that his already received applica. \$50,000 in loans and that

fact that the First National as First State Sasings Banks of oghan are both in a place to unlimited loans in Birming-nd vicinity augurs well for the hof Birmingham this year.

8 H. Cobb, vice-president and r of the latter bank, said this that his bank had already made
