### Make More Money;-Sell the Hupmobile in This Town

Within a brief period, the Hupmobile will be represented in this community by a live-wire dealer.

You may be the man.

Whether you are in the motor car business, or in some other business, you will be interested in our liberal, money-making dealer proposition.

money-making dealer proposition.

Just as long as you are a sound business man and a hustler, you can't help make exceptional profits by supplying the large potential demand for Hupmobiles in this territory.

Our definite, specific plan assures you of many prospects and sales.

More Hupmobiles in 1922 Heretofore, the metropolitan centers have entirely absorbed all the Hup-mobiles the factory could make. But the widespread reputation of the Hupmobile as a really fine car at a low price—\$1.250 f. o. b. factory—created an insistent demand in every city, town and countryside.

Greatly increased production now enables us, for the first time, to supply this demand.

You are invited to help us do this.

You will have the advantage of rlealing with one of the largest metor car distributors in Michigan, with a very liberal policy. Our discount rate is much more liberal than that ordinarily offered.

This is a real opportunity. Grasp it. Write now, at once, without obligation for, all details;—which will be gladly given, and freely.

### **DOES** HE SMIL

when the traffic cop chats with a nursemaid and keeps him waiting at the crossing? Or the waiter haughtily marches past without taking his order? Wou bet he smiles? You bet he smiles!

No, he isn't Job. He's the fellow who is having so much real fun-out of life that trifles don't bother him. He's the fellow with a sayings ac-

count in the bank.

You'll smile and get more out of life, too, if you have a savings account in the First State Savings Bank. \$1.00 starts one. We shall be glad to register you with the glad folks who carry sayings accounts here.
