# What the METROPOLITAN Plan for Financing Home Building Means to Birmingham

THE announcement was made in last week's Eccentric that The First State

Eccentre that I he First State
Savings Bank had been appointed sub-agent of the
Union Trust Company of Detroit to handle Construction
Loans of the Metropolitan
Life Insurance Company, the largest insurance company in the
world, with assets over ONE BILLION, ONE HUNDRED FIFTEEN MILLION DOLLARS. TEEN MILLION DOLLARS.

This financial assistance enables many families now to build homes they have long planned. The result will be increased activity in the building trades and an improvement in business generally.

It will mean a great deal to fathers and mothers of Birmingham for in taking advantage of the Metropolitan plan they can easily acquire pleasant, comfortable homes in which to live and raise their kiddies—Birmingham's future citizens.

Throughout Michigan, Birmingham is known as a city of home owners. Ninety per cent of this city's residents are home owners—and enviable, reputation. The additional building that will result from the Metropolitan plan will help Birmingham hold this reputation.

If you will call at the FIRST STATE BANK Mr. Thomas Cobb or Mr. Arthur Peck will gladly give you full details and explain how you can build your own home now.
