AMID Laxative Never Gripe

Tanlac Put Him Back on Job, Says Davis

"I've never been much of a hand at prating medicines, but I can certainly say something good for Tanlac," said Davis, 1100 Naglee St., San Francisco, Calif.

"I had a bad case of ptomaine poisoning and it came pretty near laying me out altogether. For three months I was in an actual condition and suffering constantly from diarrhea. I became weak all over and was going from bad to worse. I tried everything I knew of, but it was beginning to look like nothing would ever reach my case. Then a friend of mine recommended Tanlac to me. And it's a fact, for both have made a clean sweep of my troubles and built me up to where I feel like a new man. I am working every day now and when it comes to recommending Tanlac I can't put it too strong."

Tanlac is sold by all good druggists. Advertisements.
