PERSONALS

The Mallet family reunion took place at the home of Mrs. Wilnot H. Wood on 304 Southfield avenue. Forty-three guests were present. Dinner was served at noon, the tables and dining room being prettily decorated with sunflowers, golden glow and American flags. The program consisted of recitations, readings and music. Edmund N. Mallet, being the only one present who bore the family name, was elected president. Mrs. Clara Mooney was elected vice-president and Floyd Bingle, secretary and treasurer.

Sunday is very likely to be the day when every strange person that appears on the streets of this village will be looked upon with suspicion by the younger members of Birmingham society. They are apt to suspect all strangers of being new teachers in the high school, and wild imaginations will be the order of the day.

Mr. and Mrs. William J. Reincke of 601 North Woodward avenue, announce the engagement of their daughter, Mary Frances, to Mr. Edward Shephard Tolles, son of Dr. and Mrs. George W. Tolles of Charlotte, Mich.

Mrs. Dr. Pulford of Detroit, will spend the week-end at the home of Mrs. F. W. Young of South Woodward avenue.

Clyde H. Wood, Jr., 201 Greenwood avenue, is spending the week-end at Port Huron with his friend, Ray Gallardo of that city.

Marjorie Allen of 129 Woodward avenue, was visiting her parents at Flint, Mich., over the week-end.

Mrs. J. R. McKinney of Purdy street, is visiting her daughter, Mrs. Emerson Boardman of Bedford.

Theatres

Paramount Week seems to be the proper thing in most of the today picture houses beginning with today. This applies both at the Temple theater here and the Baldwin at Royal Oak. At both these showhouses the cream of the Paramount productions have been booked for the week and special attention has been given to the Sunday and Labor Day shows at the Baldwin.

Baldwin Theatre, Royal Oak.
At the Baldwin Cecil DeMille's "Midsummer Madness," with Dorothy Dalton, Mildred Chaplin, Conrad Nagel and Thos. Randolph, supplies the Sunday headliner. The story is somewhat fantastic even if realistic. It deals with two young couples who have been life-long friends. In one family the wife, not receiving the letter of intention for which every young wife yearns, is hungry for romance, and in the other the husband is courted by his wife's attentions, and begins to long for new conquests. The inevitable romance between the romantic wife and the over-loved husband develops when the other husband and wife both happen to be out of town at the same time and affairs reach a critical point.

"The Fool's Paradise," another of DeMille's masterpieces, will be the headliner for Monday. On this day Labor Day matinee will be given. The night show will draw the greater crowds and a special invitation is extended to Birmingham people to come and stay as long as you like. Tonight's show includes a high class musical vaudeville number.

Temple Changes to Paramount Pictures This Week

Moving picture fans in Birmingham will welcome the Temple Theatre's change to Paramount films. It means that this thriving village will be treated to shows of a quality equal to any exhibited at the largest and finest moving picture houses in the United States. Paramount programs draw the immense crowds in the big cities. If a picture is labeled "Paramount" one need not be told that it is good. The Paramount reputation speaks for itself. Such well known actors and actresses as Wallace Reid, Betty Compson, May McAvoy, Thomas Meighan, Bebe Daniels, Rudolph Valentino, Gloria Swanson and others make the public sit up and take notice. Don't miss Paramount Week.

The feature picture for next Wednesday, Sept. 6, is "Bachelor Daddy" with Thomas Meighan starring. Special Saturday, Sept. 9, will be Rudolph Valentino and Gloria Swanson in "Beyond the Rocks." Those who like good pictures should not fail to see these.

Mrs. Merz of Pontiac, and Mr. and Mrs. A. A. Mudge of South Woodward avenue, are spending this week at Higgins Lake.

Mr. and Mrs. J. C. Symons returned to their home in Greenwood, Ind., having been visiting here at the home of Mrs. Carl Symons and Mrs. F. W. Symons of Brown street.

Miss Dorothy Wilson of Quanton Road, is spending the week at Walled Lake with a party of girls from Birmingham.

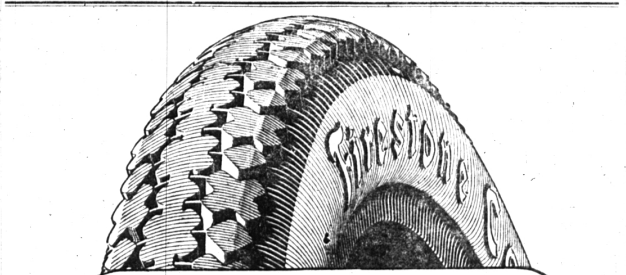

Mr. and Mrs. Wayne E. Williams of Yorkshire Road, left for Grand Rapids Saturday to visit J. E. Lockley of that city.

A Triumph for Value

In the past two months Firestone has built and marketed more tires than in any similar period in its history. This steadily increasing public preference is proof of the recognition by car owners of the greater values offered by Firestone. It is a tribute to Firestone men—all stockholders in the company—all actuated by the operating principle of Most Miles per Dollar.

The high average performance of Firestone Cordis is without equal in the annals of tire making and is reflected by the general tendency to specify Firestone for hard service. Taxicab and bus lines, buying tires by the mile, are universally equipping with Firestone Cordis.

There are many reasons for the high quality of Firestone tires but chief among the special manufacturing processes are double gum-dipping, thus eliminating internal friction by insulating each cord strand, and air-bag cure, insuring a well-balanced and perfectly shaped product.

Don't speculate in tires—you will find the right combination of price and quality in Firestone. Come in and let us tell you about the service these Cordis are giving other car-owners whom you know.
