American Kerosene

Ask your dealer for American Kerosene

Is An Odorless, Smokeless Oil

That burns freely and uniformly. For producing illumination, heat or power American Kerosene will give you better results.

It has proven through actual performance, the ideal oil for generating heat in incubators and brooders, because it burns with a steady, uniform flame c hich insures an even temperature continuously.

As a tractor fuel American Certified Quality Kerosene has again proven a superior oil, for il produces more power, effects better performance, and is more conomical.

American Kerosene is highly refined, from selected crade oil, by skilled methods. A product that must conform to the American Certified Quality Standard of excellence.

Look for the Sign of American Certified Quality
