To Concentrate Sales and Service on Dodge and Ford Cars  
Simultaneous with the showing of the new models of the Dodge Brothers motor cars comes the announcement of a new concern to handle the Dodge line in Birmingham and vicinity. The newcomer to the local business houses is the Evans-Jackson Motor Co., of 119 South Woodward avenue, formerly the location of the Birmingham Garage. The personnel of the company consist of C. R. Evans, president, and George A. Jackson, secretary-treasurer. An unbounded faith in the future of Birmingham and the utmost confidence in the service that we intend to give to our customers here, is the motto of the new concern. William Thornton, one of Birmingham's best automobile mechanics, and who has been in charge of the repair department of the new company, is being given the position of chief mechanic of the business on a high-grade basis.  
A vigorous campaign to introduce the new 1924 models of the Dodge line is being launched at once, according to Mr. Evans. First announcements of the new models will appear in Sunday newspapers.

### TEARING DOWN FRAME HOUSE TO MAKE ROOM FOR NEW STORE

Work has begun on the tearing down of the frame house located at 135 West Maple avenue, to make room for the construction of a three-story building that is soon to be erected by the C. F. ### AT CAMP MAID -- and BOYVILLE

These pictures represent some of the good times and training that a great many of Birmingham's boys and girls are enjoying at Camp Boyville and Maidville. The enthusiasm with which all of them return to tell about the fun they had and the promise made by the Y. M. C. A. to build a new camp at 31st, Camp Boyville, will welcome Junior and H-Y boys.  
The supervisors promised that their training would not only cultivate the physical and sportsmanlike qualities of the young campers, but also instill in them the spirit of unselfishness and character development.  
The girls' camp, Camp Maidville, opened August 10, and will welcome Junior and H-Y boys.

For no recompense at all, he has offered to the Eccentric a verse each week, which will be published for the first time in this paper. The collection of poems, will be published in the near future, "To You," is printed on page 2 of this issue.

### BANK PASSES SECOND YEAR IN NEW HOME

1st National Organization First Opened Its Doors 13 Years Ago  
The First National Bank of this Village, dates its commencement according to the officers, there has been a steady increase of deposits, with the exception of two years during the war, when there was a decided drop. At that time there was a great many more withdrawals than deposits. But this was true of banks all over the country, and although the bank realized the loss, they continued their business for the sake of the loan to the nation. Nevertheless, after the war, the increase was once more prevalent.  
Two years ago last Monday, the bank left its old home on West Woodward and entered the new, large and beautiful building on the corner of Woodward avenue and Hamilton. There was naturally some criticism of this but the importance of a better location and a better building has been evident with the notable increase during the past two years.  
It is true that some of the growth of the village is due, primarily, to the growth of the business of the town, and the increase in rents and the value of real estate.  
So last Monday was the anniversary of their entrance into the new building. It was just 13 years ago in the history of the bank, but it marks a new era in its advancement, and the growth of the village and the beauty of the town.
