BE VERY CAREFUL THAT YOU DON'T CATCH THE FEVER Billy McBride, of "The Palace of Sweet's" was overcome with it Sunday and the only cure was to go to Detroit Monday morning and drive home the finest Metropolitan Sedan that was in the Chandler show room. Billy is the proudest man in Birmingham over his new purchase, and who can blame him? He neither went halibut, catfish nor shirt sleeveless, he had them all on.

This fever is contagious as Visgar Spicer of Oakland avenue, caught it not four hours later and ordered a Chandler Chummy Sedan and is driving same at this writing. If you got the fever see B. H. Jackson, 204 Frank St. adv18

All Nations Marching to Armageddon but—"millions now living will never die"

Will be held at the Johnston - Shaw Hall Birmingham of Detroit, Michigan Sunday, August 26th, at 8 P. m. Judge Rutherford's lectures have awakened a widespread interest in Bible subjects relating to our day. No Collection Seats Free

THE WORLD faces a condition never before experienced. Fear has taken hold upon all classes of people because they see in a measure the things coming upon the earth. The nations are in distress and perplexity. THE WAR did not make the world safe for democracy. The very foundations of civilization are now shaken by revolution, labor strikes, official lawlessness, profiteurs, Bolshevism and anarchy. Both capital and labor are resorting to extreme measures. The common people have lost confidence in their leaders. The clergy have abandoned the Word of God and joined hands with big business and big politicians in an attempt to control the world, and these are opposed by radical forces. EUROPE is completely bankrupt, with her restless host of unemployed and discontented hourly increasing. Believable organizations are rapidly numbering their men and taking account of their strength. All contending forces are hastening to the great battle of Armageddon. The disaster resulting is beyond the description of human words. BUT let the people take heart. The Lord will cut short the troublous-bring order out of chaos, establish peace and righteousness; and millions of people now living will become obedient to his order of righteousness and will live on the earth forever in peace and happiness. YOU are urgently invited to hear a lecture on this remarkable subject by
