the threshold of a new year. Our energy as our minds turn to thoughts of the future.

We weigh well the facts that surround the conclusion. That is, that the New Year is a period of Prosperity for all. And we hope that fate will wave peace and peace over each individual.

With you, we know that they are as they have been in the past. We are of the past year and we promise to do more in 1924 that will in any way benefit our patrons now hold us.

We're busy most all year through, but when New Year's Day arrives we take time enough to wish all of our friends
