

Winter Find You Tired and Achy?

DOES winter find you miserable with an aching back? Do you get up lame and stiff—lag through the day tired, weak and depressed? Do you know why you are so run down?

run down?

There's good reason for your condition and likely it's weak kidneys. Winter's colds and chills throw a heavy burden on the kidneys The kidneys fall behind and poisons accumulate. It's little, wonder, then, that you suffer backache, rheumatic pains, headaches, dizziness and bladder irregularities.

Don't risk serious kidney disease. Use Doan's Kidney Pills efore it is too late. Doan's have helped thousands and hould help you. Ask pour neighbor!

"Use Doan's," Say These Good Folks:

Lo, the Poor Indian!

Mr. Whittemore of Washburn college was struck by the metropolitan education of an Indian he met at the frace (N. M.) art colony, with a good anyther outside of a studio, Doctor Whittemore relates, "a big rather old Indian approached me. He was wrapped in a white sheet, which fell is stately folds from his shoulders to the ground. His arms were folded with the shoulders to the ground. His arms were folded with the shoulders are the shoulders to the ground. His arms were folded with the shoulders to the ground. His arms were folded with the shoulders to the ground and mount. His approach was as dignified as that of a Roman senator.

The industrial Association of San Francisco, Cal., has started a school of appendices with some morel features. The boys have been divided into three classes and one class moves as some behalf the other. The first two weeks will be passed in school, after which they will be put to work as assistant betjers for four weeks, after which they will be put so work as assistant betjers for four weeks, after which they will return to school, and so on during the term of their appenticability. In this manner of alternating the school and slop experience it is anticipated that from 12 to 18 months will be asked and the boys will be failed-legic pluinters in two and a half or three years instead of our. The apprentices will be failed for the time they are at work, but not for the time they are at work, but not for the time at school.

What is good health worth to you?

HEALTH is priceless. You wouldn't knowingly part with it for anything in the world.

Why then do you risk it needlessly for the sake of a few cups of coffee? Coffee contains caffeine, a harmful drug which often interferes with nerves and digestion.

There's an easy, pleasant way to avoid this menace to health, without any sac-rifice of comfort or satisfaction. Drink Postum instead of coffee.

Postum is a pure, cereal beverage wholesome and delicious — a safeguar for health.
