COSTS OF MILK PRODUCTION

Bulletin Issued by University of Wisconsin Gives Good Information for Dairyman.

Excellent Hog Pasture. Medium red clover makes excellent hog pasture.

Pasturage for Swine. Pasturage should be provided for the entire year for brood sows and spring and fall litters.

Supplements for Hogs. Swine need much less tankage of protein supplements than on alfalfa pasture.

Feeding Potatoes to Hogs. For feeding swine, potatoes should be cooked and fed in large tanks, or fishmeal in self-feeders.

Negligees for Every Hour; Party Frocks for the Girls

At the end of a perfect day, and of many another kind of day, the neat-occupied woman of the present slips into some sort of negligee...

AN EXQUISITE NEGLIGEE

Discover one's self arrayed in any color and silks that shine like the petals of flowers.

For little girls, as for older ones, georgette crepe and taffeta silk are mainly depended on for party frocks...

Dark colors, as black and brown in crepe satin are trimmed with multi-colored embroideries and have linings in bright colors repeating one of the colors in the embroidery.

TWO TASTY PARTY FROCKS FOR CHILDREN

Smart house dresses are made of unprinted cretonnes in gay colors. Dressing gowns, unbleached muslin, gingham, chambray and satens. They make it possible for a woman to be attractive and smartly costumed, even at the most humble tasks.

Princess Styles. As skirts grow longer, the waistline is said to be growing higher. Modified princess styles are beginning to make their appearance in Paris.

Kasha Davetyn. Kasha dress, one of the new fall materials, comes in a two-toned combination of colors that is as lovely as it is unusual.

TWO SCENES The scene is in France, before the revolution. A carriage of the nobility dashes along the narrow street...

Paris sends out the alarming news that because of the demand for monkey glands we are likely soon to render utterly extinct the race from which, according to Mr. Darwin, we are descended.

When you look at some pieces of machinery, their intricacies amaze you—and you wonder how the brain of a man can conceive them.

It could be said, in fact, it is reported, that he could be said that every city and town in the country would engage actively in this war.

A farmer near L'Islet, Quebec, meets a band of gypsies and swears his son for a horse. The law rescues the lad and brings the father to account.

A Washington village is boasting of a hen that weighs only seven ounces, can't crack and lays an egg that is long.

A husband reached his wife's room in time to discover that she had turned on two gas jets and her attempt to die was unsuccessful.

Let us not undervalue the proud father who stands behind the proud father who stands behind the proud father who stands behind the proud father...

Presumably. Twelve-year-old William boarded up at home in a rather badly battered condition.
