At The Temple
Chosen because of his suitability in type and physique, Mahlon Hamilton is leading many in "Under the Lash," a picture starring Gloria Swanson which will be shown at the I. O. O. F. Temple Saturday, Jan. 20.

Mr. Hamilton has had an extensive career on stage and screen. The old Father series "The Hidden Hand" marked his entry into screen work. Since then he has appeared as leading man with many of the most popular women screen celebrities including Mary Pickford, Anita Stewart and Blanche Sweet.

In "Under the Lash," Mr. Hamilton has a particularly exciting dramatic role, he playing the part of a young Englishman who goes to the South African veldt to learn farming, and who falls in love with the young wife of a fanatical old farmer, who rules his own life by the Word and all others who come under his domination, by the whip.

"Watch Your Neighbor," a comedy, will be shown on the silver screen. In a strong, powerful drama, "The Crusader," William Russell, the well known star, will be seen at the I. O. O. F. At The Howland, Pontiac
The popular Princess Players Stock Company are offering this week at the Howland Theatre in Pontiac, a new Broadway success, "Nice People" written by Rachel Crothers. This play was presented last week in Detroit by the Jessie Bonstelle Players at the Shubert-Michigan Theatre and the newspaper critics of that city pronounced it one of the very best plays of the year. The play has a wonderful story that is different, good comedy, beautiful scenery and the women members of the company are given an opportunity to display some beautiful gowns.

Next week the Princess Players offer one of the most talked of plays of the year, "Smilin' Through," a play that has caused more comment than any other play written in the past ten years. No doubt many who saw the beautiful picture of "Smilin' Through" with Norma Talmadge, remember it as one of the greatest picture lessons they ever had. Now to see the play acted out in real life by a capable cast of players is an announcement that will be greeted with pleasure by all lovers of good plays. "Smilin' Through" starts at The Howland next Monday night and runs all week.

Are You Ruled By Prejudice?

There are still a few people who are "afraid" of anything new. They scoff at new discoveries. They try to ridicule that about which they know nothing.

If you can get profit by harmless, drugless, anti-manipulating science isn't it within reason to suggest that you try that science? Chiropractic adds nothing to nor does it take anything from the body.

By relieving the pressure on impinged nerves in the spinal column it gives nature a chance to re-build the part of the body diseased.

You will some day try Chiropractic. Sunday and house calls by appointment.
