Red Crown Vaporizes to the Last Drop

To use Red Crown is the essence of economy—not from the standpoint of purchase price alone but from the results earned.

When Red Crown is mixed with air in your carburetor it causes perfect combustion—this means the irreducible minimum of carbon deposit, consequently less fouling of spark plugs—it means less expense for grinding valves—it means a smoother running motor—it means little, if any, pre-ignition. When you use Red Crown

There Is No Waste

either of money or energy. Every drop is converted into power—clean, sustained, usable power. It is obvious that 800° of heat in your cylinder heads under working conditions is all and sufficient to burn the heaviest ends of Red Crown. That is why you get such extraordinary mileage when you have Red Crown in your tank.

BUY RED CROWN. At the following Standard Oil Service Station: Corner Woodward and Hamilton. And the following Filling Stations and Garages: Glen Schlaack, Doughner Bros., Birmingham Garage, Conant & Osborn Co., McCallum & Garage, Engstrom & Schroeder, Big Beaver, Mich., Mumby's Garage, Rochester Road, Mich., John Corwin, Franklin Mich., E.
