The specifications for this equipment may be secured by application to the Village Clerk.

HAZEL E. CLARK Village Clerk. Who Are "Your Printers"?

Whether you do your own washing, or hire a helper you can save money, time, wear and tear by using an Electric Washer

The first cost is soon off-set by the saving in labor. Less than a Cent an hour will operate the machine, and a couple of hours is sufficient, to finish a good-sized wash the electric way.

Red Crown The High-Grade Gasoline Adds to the Joy of Motoring

THE spirit of the day is to be out in the open; to seek the by-places; to get closer to nature; here today, there tomorrow.

Hard roads and automobiles have made it possible for one to do all of these things in the companionship of his family.

The chief contributing factor to motoring is gasoline—the chief joy of motoring is to know you have a dependable gasoline in the tank.

4% Interest on Savings Accounts

In the Banking Business

Just as in any other business, we depend not upon the number of customers we can get but upon how many we can hold.

The aim of everybody in our bank, therefore—right down the line from the President on—is to give you a service that will make you want to "keep coming."

We regard every customer as a possible life-long friend
